Suing City for Water Damages

Alleging damages to his basement and contents caused by surface waters from heavy spring rains, Forrest Yeates, of 401 Home ave., has filed a complaint against the city of Lincoln asking \$4,591.

The complaint, on file in the Logan county circuit clerk's office, states that on May 17, 1957, water rose in the plaintiff's basement to a depth of five feet, causing cracking sounds in the walls and foundations.

Also damaged, according to the plaintiff's petition, were the basement floor, two washing machines, water heater, sump pump, motors, a storage cabinet, seven screens, aluminum storm glass, paint, brushes, fruit, furnace, clothing, a bed and window fan.

The city is charged with negligence in obstructing a tile draining system which runs beneath the Yeates basement.

Plaintiff alleges that during the month of May or June of 1952, city employees placed concrete in the tile under his property, and also blocked the tile at two locations on Comet ave. Plaintiff further states that these obstructions were unknown to him until after May 17 of this year.

CAUTION

Motorists were warned today to be particularly cautious in the vicinity of 17th and College streets because of the new school stop light now in operation there.

Police Chief Earl Minder said some drivers have failed to note the light and have driven through it while children were crossing the street.

The light is in operation from 8 to 9 a.m.; from 11 a.m. to 1 p.m. and from 3 to 4 p.m. on school days. The light is operated by a button and does not flash except when children are crossing. Members of the Northwest PTA will operate the light.

the Rock Mayor Woodrow Mann who had bitterly criticized the governor.

Referring to Mann's remark that the governor's reports of impending violence were a "hoax," Faubus said:

"As to Mayor Woodrow Mann's statement in reference to my action to preserve the peace, I am just as disappointed with him as were the people of Little Rock when they repudiated him in a recent election by a vote of more than 3 to 1.

"He is running true to form by popping off without knowing the facts."

TO BE SWITCHED

Little Rock voters last year approved a change from the mayor-council system to the city manager form of government. The mayor will be out of a job when the switch is made late this year.

Meanwhile, praise and condemnation of Faubus for his handling of the integration issue came from public officials outside Arkansas. Most of the compliments were by Southerners, including Gov. George Bell Timmerman Jr., of South Carolina, former South Carolina Gov. James F. Byrnes and Sen. Russell (D-Ga.)

Rallies for Grain Mart

CHICAGO — All of the grain futures staged rallies of varying size during the short week ending today. Gains were as follows: wheat, $\frac{1}{4}$ to $2\frac{1}{2}$ cents; corn, $\frac{1}{4}$ to $3\frac{1}{2}$ cents; oats, $\frac{1}{4}$ to $1\frac{1}{2}$ cents; rye, $2\frac{1}{4}$ to $4\frac{1}{4}$ cents and soybeans, $\frac{1}{4}$ to $2\frac{1}{2}$ cents per bushel. Closings today were at or very near to the tops for the week.

The Galvin crop estimate as of September 1 came out on Wednesday and generally speaking, outside of the lower than looked for in some quarters estimate on corn, it was rather in line with general expectations. The figures on corn showed 3,042,001,000 bu. which is about 40 million smaller than his figure of a month previous but also about 23,000,000 below the August 1st government one. Due to the uneven planting dates, crop progress reported was varying from area to area and the report says that some sections will require later than normal killing frost dates in order to mature.

On soybeans, the private estimate showed a prospect of 452,449,000 bu. or just about "right on the head" with the amount harvested last crop and around 25 million larger than the month ago official figure; the Galvin data said that beans were less adversely affected by the drought in the eastern states than was the corn in that area while in the large central bean producing section of the belt, the growing crop had made favorable progress during August.

2 Romances Flourish In Amateur Golf Play

BROOKLINE, Mass. (U) — Two romances are burgeoning in the day-old 57th National Amateur Golf Championship — the gallery loves Billy Joe Patton and Billy Joe loves the Country Club.

The result could add up to a championship for the remarkable 35-year-old North Carolinian who has been appearing in this tournament off and on since 1939 and never has survived to the late rounds.

Patton, partly on the strength of his great comeback to beat British champion Reid Jack in the recent Walker Cup matches, drew the bulk of the first day crowd as he scrambled to 4 and 2 victory over Bobby Knowles.

Billy Joe's opening victory, one of many that went according to form on the first day, apparently is leading toward an inevitable return match with Jack in a couple of days. Jack, a sandy haired Scot, conquered Harry Haverstick of Lancaster, Pa., 2 and 1. They're both in the lower section of the third quarter of the draw.

The 72 first round matches were run off almost without a hitch were the favorites were concerned. Four of eleven members of the British Walker Cup team were eliminated — not unexpectedly.

HOCKEY OPENS, Oct. 8

MONTREAL (U) — The National Hockey League today announced its 41st season will open Oct. 8 with a single game — the Chicago Black Hawks against the Toronto Maple Leafs in Chicago. The season opens on two other fronts Oct. 10 when the Montreal Canadiens, Stanley Cup champions, are hosts to the Black Hawks and the Detroit Red Wings, last season's league champions, entertain the New York Rangers. The season will close March 23.

Yearly reports are now required of all cemetery associations having endowment funds. Smith said, in addition to himself and another worker, there have been three persons employed part-time this summer, Smith added.

A joint order by Logan county's three circuit court judges was read asking that 400 names be selected for drawing petit jurors. Chairman Henry appointed Supervisors Jacob Lauer, James W. Kindred and Albert Keisterman as a committee to select 400 names. From these, the 400 will be chosen, and the committee for this purpose is composed of John L. Seneetz, L. J. Miller and Edward Harmsen.

Request Approved

Request of the county treasurer and collector for continuance of Logan county banks as depositories for county funds was approved following the report of the committee of Ralph E. Schmidt, A. J. Englebrecht and Harry M. Randolph.

Other committee appointments announced by Chairman Henry were T. J. Gilchrist, Walter Ebel and Floyd M. Wendel to select election judges; and Thomas Steiler, Keisterman and Thomas Gupton, Sr., to be in charge of arrangements for annual entertainment of township road commissioners.

Supervisors approved continuance for another year of the arrangement with the U. S. government for rental of the selective service headquarters in the county courthouse at the present rate of \$25 per month.

An increase in state aid was announced in a letter from the state department of agriculture in which it stated that the state's participation in the county veterinarian's salary has been raised from \$300 to \$400 per month. The matter of whether the Logan county veterinarian should receive more pay was referred to the committee.

Receive Reports

Reports read and approved included: state school fund, institute fund, transportation fund, school lunch program, special education account, Odd Fellows Children's Home tuition account, and township loanable funds from the county school superintendent; expense account, county and circuit court attendance, prisoners and meals from the county sheriff; report of finance committee.

Crop Outlook Better Now

SPRINGFIELD, Ill. (AP) — The outlook this month for Illinois corn and soybeans looks much better than in August and a corn crop of 472 million bushels is foreseen.

State-Federal Agriculture departments said today the corn promise exceed that of August by 41 million bushels but is 71 per cent smaller than the 1956 crop. A yield of 57 bushels an acre is expected.

A soybean crop of 120 million bushels is indicated, or 13 million bushels more than forecast Aug. 1 and 14 million bushels less than a year ago. The current soybean yield is 23.5 bushels an acre.

A third of Illinois' corn crop is reported safe from frost. This compared with the two-thirds rated safe a year ago in September.

Soybean harvest of earlier planted fields has started in southern Illinois. General harvesting is expected to start in a week or 10 days.

Moisture is adequate to mature crops in northern Illinois. However, more rain would boost some late planted southern crops.

McCarthy Urges Citizen Interest

The best insurance for a forward-moving Legislature is a highly interested citizenry, State Rep. Robert W. McCarthy, Lincoln Democrat, told the Sertoma club at Decatur Tuesday.

McCarthy made the statement after saying that the present Cook county - Downstate division of the Legislature (Cook county elects slightly more than 50 per cent of the House members) appears to be permanent.

He said he would prefer Cook county be limited to 40 per cent of the House but pointed out that a constitutional convention needed to make the change doesn't seem likely in the near future.

Up To Citizens

"The citizens of this district exercise a high degree of interest and it would be helpful to the state if other districts were to follow the lead of the 47th District," McCarthy said.

McCarthy was an opponent of reapportionment which took effect this year and gave Cook county a majority in the House. He pointed out some changes brought about by the new law, however.

He said cities gained domination over rural areas; and new talented legislators were elected who are independent of machine politics.

Disadvantages McCarthy attributed to the reapportionment were an attempt to divert gas tax funds to the Chicago Transit authority and hints of corruption which plagued the legislative bodies.

WILL TO BE PROBATED

Personal property in the amount of \$10,000 is listed in the estate of Bertha M. Gordon, who died in Lincoln Aug. 31. A petition to probate the Gordon will is on file in Logan county court, with the will nominating William K. Maxwell, of Lincoln, a brother of the deceased, as administrator.

Immigration Bill Signed By President

NEWPORT, R. I. (AP) — President Eisenhower today signed a hardship - case immigration bill but called it "a disappointment in that it fails to deal with many serious inequities."

The measure the President approved at his vacation headquarters provides for admittance of up to about 70,000 aliens now barred from the United States. However, it falls far short of what he asked.

Eisenhower, in a statement, urged that Congress give careful attention to more far reaching revision of the immigration and nationality law when the lawmakers reconvene in January. Not included

He added that the bill "does not include many of the important changes" which he recommended to Congress.

Eisenhower called it "particularly regrettable that the Congress did not provide a method whereby the thousands of brave and worthy Hungarian refugees who have suffered so much at the hands of communism might

in the future acquire permanent residence, looking forward to citizenship."

Sen. Kennedy (D-Mass.), whose name the bill bears, had predicted it would lower barriers to admit between 60,000 and 70,000 immigrants, including 20,000 Italians, and 4,000 Greeks now excluded. He said he would strive for more changes later.

The Senate Republican Policy Committee called it a "bolton version of the President's immigration program."

NEGRO HOME BURNED

NORTH POLE, Alaska (AP) — A small residence into which a Negro family moved recently was burned here Saturday night and charges were made at a City Council meeting Tuesday night that the fire was set deliberately because of the family's race.

Mayor Con Miller told the Council the fire, which practically destroyed the home of Mr. and Mrs. Bob Green, apparently was a case of arson. The Greens are the first Negroes ever to live in this small community.

Missing Coed's Tooth Infected

CHICAGO (AP) — An Oakland dentist told police Tuesday Marcia Horan, 21-year-old Loyola university coed, have sought dental treatment for an infected wisdom tooth her disappearance one week today.

Dr. Samuel Weinfield gave Miss Horan temporary medication for the infection and advised her to return. He said she would have suffered pain unless she visited a dentist since her disappearance.

The tip turned police to investigation of area dentists records in search of a Miss Horan's whereabouts. Packed Clothes

Authorities Tuesday from a sister of the missing that Miss Horan packed clothing in a small travel bag before she closed out her account.

The money, she told friends, was to be used to pay fall term tuition and find shopping trip.

Ronald Symonds, 23, a friend of Miss Horan, told she told him she planned something "unusual". He wouldn't elaborate but said, "It won't hurt anybody."

Budget for LHS Okayed

The Lincoln Community high school board has adopted a \$429,262.50 budget, Principal George Krivisky announced today.

The budget includes \$245,500 in the educational fund; \$41,000 in the building fund and \$142,762.50 in the new building fund which includes interest and principal payments on bonds.

This year's total budget figure is \$450 less than the total for last year.

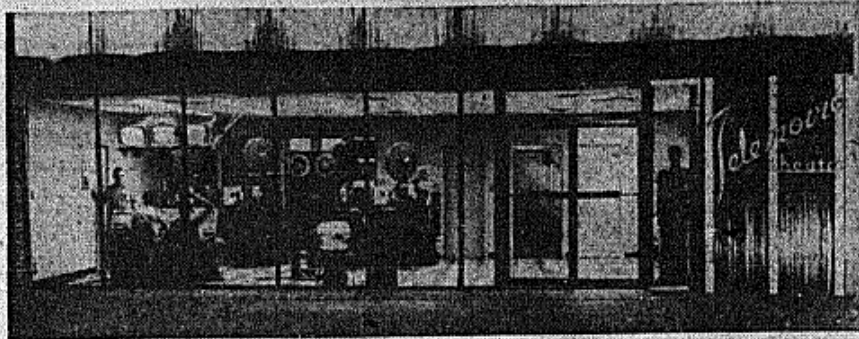

The tax load will be less this year, Krivisky said, because assessed valuation in the district has increased. Our assessed valuation this year is \$55 million as compared with \$50 million last year, he reported.

TELEMOVIES: First Run Films Right in the Home

The former movie theater which now televises films. Four movie projectors turn from noon to midnight, and TV cameras pick up the films from the screen and send them into Bartlesville homes.

Here is part of the 75 miles of coaxial cables. Small switch attached to TV set enables subscribers to watch either regular TV or Telemovies.

HERE IS the setup by which movies are televised from a motion picture screen into homes in Bartlesville, Okla., by a new system called Telemovies. For \$9.50 a month subscribers receive 26 films, 13 first runs and 13 "best in re-runs." The Bartlesville setup is a project of Video Independent Theaters, an Oklahoma City, Okla., movie house circuit. The project is being watched by those interested in the much-discussed "subscription television" idea. The setup cost around \$300,000. A \$50,000 loss the first year is expected on top of that, and then profits.

12 OF KIND

MORRISTOWN, N. J. (AP) — Mrs. Raymond Beston gave birth to her 12th daughter Wednesday — a medical rarity. She has no sons.

Doctors said the chances of having 12 of a kind are "slimmer than slim."

The 41-year-old mother and her husband, a night watchman at the Morris County Courthouse, wanted a girl.

The Bestons have 11 daughters. The third child died at birth.

The latest arrival, weighs 8 pounds and 2½ ounces.

Rainy, Moderate

CHICAGO (AP) — Rainy weather with moderate temperatures was the rule throughout Illinois today.

The rain was expected to end in the north Friday with the arrival of somewhat cooler weather, but to continue in the south.

The temperature climbed to 85 in Vandalia Wednesday making it one of the warmest spots in the state. Overnight lows were generally in the 60's in all sections.

Friday's highs were expected to range from around 70 in the north to the low 70's in the south.

Mrs. Ludlam's Funeral Rites To be Saturday

ATLANTA — The funeral of Mrs. Deltha Mae Ludlam, widow of Anthony J. Ludlam will be Saturday at 2:30 p.m. at Quiram's Funeral Chapel. The Rev. Wilbur A. Reid will have charge and interment will be in Atlanta cemetery.

Born in Lancaster, Ky., Mrs. Ludlam died Thursday at 5 a.m. at her home following an illness of several months. She was born April 10 1869, the daughter of William Henry and Brunetta Ball Gipson.

The deceased had lived in Illinois since childhood and here since her marriage in Lincoln, Oct. 13, 1888. He died April 14, 1937. Three daughters and a son, all of Lincoln, survive. They are:

Mrs. Myrtle Montgomery, Mrs. Anna Deiss and Mrs. Ruby Lucas and Clarence C. Ludlam. Two children preceded her in death.

She was a member of Eminence Christian church.

'BACON'

Deputy Sheriff Joe Scanlon "brought home the bacon" today in short order.

At 8:15 a. m. the sheriff's department received a report that five sides of bacon and three ox tails had been stolen from the James Coogan locker plant at Mt. Pulaski.

At 9 a. m. Deputy Scanlon arrested William Gross, 45, Mt. Pulaski, who lives near the locker plant. Scanlon said he found bacon in Gross' possession with identifying marks similar to the missing bacon. Gross is in county jail on burglary and larceny charges and was to be arraigned today.

"How were you led to Gross," Scanlon was asked. "Trade secret," he replied.

Funeral of Mrs. Uken Saturday

FOR ORDERS TO TAKE OUT

Close - - -

(Continued from page 1).

Several members of the board spoke on the question, stating that they did not understand enough about the matter to reach a decision at this time. State Attorney Darrell E. Klink, was requested to obtain an attorney general's opinion as to whether the law actually requires the county to take action.

An anticipation of future action on the matter, a resolution was passed reserving the board of review room on the first floor for purposes of the board this year-round. The office was formerly used during the winter months by the circuit court probation officer.

Two resolutions approving transfers of funds were adopted. Transferred from the contingent item of the general fund were: \$10 to fees and salaries, expenses of circuit court probation officer; \$300 to workmen's compensation insurance; \$500 to per diem and mileage of board of supervisors. The second resolution transfers \$7,050 from township road and bridge funds to projects in Aetna, Elkhart, Orvil and Mt. Pulaski townships. For Road Work.

The board also appropriated \$5,000 in state motor fuel tax funds for work on seven-tenths of a mile of road south of Latham, with the county to be reimbursed for the work by the state.

Bids will be invited to lot 1 of the Logan county airport, with all bids to be submitted by 10 a. m. Oct. 1. The board approved leasing of the lot, with the lessee to construct a hangar there.

Read before the board and approved were 400 names for the petit jury box; and claims from 11 committees. Claims were from the county farm, fees and salaries, airport, public buildings, county officers, rabies, sheriff's car expense, dieting of prisoners, civil defense, cemeteries and judiciary committees.

Surprise Party

At the close of the business session, County Clerk Leonard McCann invited supervisors to attend a surprise party for Miss Florence Pfeiffer, his deputy, stating:

"We will celebrate the 35th anniversary of the appointment. Sept. 15, 1922, of one of the very best public servants Logan County has ever had. We have with us today, David S. Mowrey, the county clerk who had the good judgment to appoint such a capable deputy clerk."

"I believe I am right in stating that only one of you gentlemen, Fred J. Armbrust, was serving on this board in September, 1922. However, whether you have been on one year or 35 years, I am sure you all know and appreciate the valuable services of my deputy whom we are about to honor."

Deverman Funeral Set for Saturday

Funeral services for Henry A. Deverman, of Bath, Ill., brother of George Deverman of Lincoln, will be at 3 p. m. Saturday from St. Johns Lutheran church at Bath with burial in Laurel Hill cemetery, Havana. His death occurred Thursday morning at his residence.

The deceased was born at Bath April 7, 1877. He was married to Anna Eanman Sept. 15, 1918. Mrs. Deverman died May 17, 1950.

One sister, Mrs. Edith Hahn of Bath, survives with the brother in Lincoln.

FIRST, LAST

The Rails of Lincoln high inaugurate a new football season Friday (this) evening, opposing the Lions of Lanphier (Springfield) at 8 o'clock.

Coach Ed Miglicz, new yet old at L.H.S., where he formerly mentored, is launching the season which is expected to be the last at Woodlawn field. By next season, it is expected, the field at the new high school will be ready.

Director Bill Smock will show his band of 85 pieces in pre-game and halftime intermission performances. "Beverage Time" is the band show theme. The music will be fitted to water, milk, tea and cider with "matching" tunes.

Claims Paid Schools Over Logan Co.

Disbursements to treasurers of various school districts in Logan county for transportation claims for the school year ending June 30, 1937, will be made by Supl. E. H. Lukenbill.

Received Friday by Lukenbill was \$33,127.20, which is a portion of the \$5,858,908.14 approved Sept. 5 for the entire state.

The payment is based on \$30 per pupil transported. Lukenbill announces that the law was changed by the last state legislature, and next year's claims will be based on 50 per cent of the costs or an amount per pupil and the area of the district. The change will result in prepayments ranging from \$16 to \$32 per pupil.

Of the amount received Friday, distribution to the county districts is as follows: Chestnut community consolidated, \$1,382.20; Beason community consolidated, \$2,700; Atlanta community unit district, \$3,273.20; Harrisburg - Erden community unit, \$4,555.40; Mt. Syria - - -

(Continued from page 4)

While the tension between Washington and Damascus appeared to be easing, trouble broke out along the Syrian-Lebanese border.

Reports from Beirut said 10 persons were killed in a 45-minute battle between Lebanese police and a band of unidentified armed men in northern Lebanon.

An announcement from Lebanon's Interior Ministry said a police patrol encountered the armed band as it was crossing the border from Syria into Lebanon.

The ministry statement said it was not known whether the band was made up of Lebanese or Syrians.

APPEALS TO IKE

NEW YORK — King Saud of Saudi Arabia today was reported to have sent a message to President Eisenhower urging moderation in U.S. policy toward Syria.

The New York Times and the New York Herald-Tribune reported in Washington dispatches that a message from Saudi warned against any U.S. action that might push Syria further toward the Soviet orbit.

CONCERN EXAGGERATED

Quoting diplomatic sources, the reports said Saud told the President that U.S. concern over developments in Syria was exaggerated.

They also said the message from Saud was believed to be a factor in the more temperate line on Syrian developments taken by Secretary of State Dulles in his news conference comments this week.

Dulles said Tuesday he believed the Syrian crisis would be resolved without war.

Mary Merriam Funeral Service Set for Thursday

ATLANTA — Miss Mary White Merriam, 83, former Atlanta resident who lived the past 25 years in Los Angeles as resident director of the Spanish-American Baptist Seminary, died Monday in the infirmary of the Atherton Baptist home in that city.

The body will arrive Thursday morning at the Quiram Funeral home and services will be at 2 p.m. Thursday at the G. H. Tuttle Home, the Rev. Wilbur A. Reid officiating. Burial will be in Atlanta cemetery.

Miss Merriam was born Jan. 1, 1869, seven miles north of Atlanta in Little Township in Tazewell county, the daughter of Col. Jonathan and Lucy White Merriam.

Surviving are a sister, Mrs.

Mable Conley of Wheaton; and two brothers, Alvin of Auburn and Ralph of Chicago. Two sisters and a brother preceded her in death.

Miss Merriam first taught school in the Mason School in Little Township in 1885, later taught in New Kentucky, Rabbit Hill and Atlanta schools.

For nine years she was a missionary in Cuba and once was a teacher at Benedict College in Columbia, S.C. She was a member of the Temple Baptist Church in Los Angeles.

Mrs. A. E. Adams of Atlanta, a niece, had been at Miss Merriam's bedside for several weeks.

Halt Robber At Big Mart

CHICAGO (AP)—A guard who had waited in hiding, Tuesday shot and wounded a man fleeing with a radio and captured his companion outside a showroom in the huge Merchandise Mart.

Louis Frapolli, the guard, told police he shot Anthony Moschiano, 20, when Moschiano failed to halt as ordered.

Moschiano's companion, Thomas J. Dacey Jr., 21, dropped a radio he carried and surrendered, Frapolli said.

Both men were held without charge for questioning. Moschiano was recovering from a back wound in a Chicago hospital.

Guards had been stationed in the showroom, officials said, because of a series of thefts over the past two months.

The shooting occurred on a 10th floor stairwell in the Mart as hundreds of workers left their offices en route to lunch. The Mart is one of the world's largest buildings.

10 Billion Dollars Paid in U.S. Excise Taxes During Year

WASHINGTON (AP)—Excise taxes netted Uncle Sam more than 10½ billion dollars in the 1957 fiscal year which ended last June 30.

Nearly half the total came from whisky, beer and cigarettes, but numerous other items accounted for sizable shares.

The final tabulation, announced by the Treasury Department today, showed total excise tax collections of \$10,647,544,000 during the 12-month period, compared with \$10,004,195,000 in fiscal 1956.

That is considerably higher than the \$9,200,000,000 predicted by President Eisenhower in his budget message to Congress last January.

The biggest single revenue producer was the excise tax on distilled spirits, which brought in \$2,121,411,000. The tax on beer netted another 763 million dollars, and wine was good for 88½ millions more.

Total tobacco taxes were \$1,674,050,000. Most of this — \$1,610,908,000 — was on cigarettes.

Activities of the Lincoln city Civil Defense organization are already focused on preparedness for an outbreak of Asiatic flu in the community, according to Larry B. Shroyer, city CD director, who spoke Wednesday evening before members of the Lincoln Lions club.

Shroyer pointed out that Civil Defense had for a long time been considered an organization dedicated to wartime emergencies. However, he explained, a new Illinois law, effective last July 1, enables CD to become more active in the field of local disasters and emergencies.

To Make Plans

His first-hand observations of widespread cases of Asiatic flu in the Hawaiian Islands and information obtained at a recent meeting of Civil Defense officials, Shroyer said, prompted him last Monday evening to ask city council to establish a civic committee to study the problem and plan for a mass immunization program here.

As a result of Shroyer's request, a meeting has been called for Monday noon, at which plans will be made for the protection of local residents.

On the national level, Civil Defense will concentrate its program on shelters and defense against intercontinental ballistic missile, which Russia recently revealed as her newest weapon, Shroyer stated.

Colored Film Seen

A color film entitled "Role of the Warden in the H-Bomb Era", concurred Shroyer's informative program, which was presented in connection with National Civil Defense Week.

President Merle Dixon presided at the business session, during which it was announced that a donation of \$50 had been voted to aid the Cooperator of Commerce with its downtown Christmas decorations.

Lion Les Sheridan reported the club's float would again appear in the parade Saturday at Midletown. Other guests at the dinner meeting in Abraham Lincoln Memorial hospital were Ker Johnson, of the Mt. Pulaski club, and John Lorenzi of Lincoln.

Willkie, F.R. Have Run

WASHINGTON 18—A biography of Franklin D. Roosevelt indicates F.D.R. and Republican Wendell Willkie might have run together on a third party ticket in 1948 had the two men lived until that time.

Rexford G. Tugwell, a member of the original Roosevelt brain trust, reports that Roosevelt approached Willkie on the subject of a third party in mid-1944 through an intermediary.

Willkie was willing to join in the effort, Tugwell said in a new biography of Roosevelt, but wanted to wait until after the 1944 election. Willkie died Oct. 8, 1944 a few days before the voting. Roosevelt died April 12, 1945.

Tugwell's bulky biography, "The Democratic Roosevelt," was published Wednesday by Doubleday & Co.

Teachers to Have Clinic

Climax to the teacher recruitment drive that began in Logan county Aug. 26 will come at 8 p.m. Friday with a teachers' clinic. County Supt. E. H. Lukenbill announces that the meeting will be in the Logan county courtroom in order to accommodate the large number of persons expected.

Present will be Dr. Howard J. Evens, director of admissions at Normal university, who will give counsel on courses required for various types of teaching degrees.

The teachers' clinic is for persons holding teachers' certificates but not presently employed in the profession; and those who have begun their studies, but need more training in order to qualify for a certificate.

In the county's eight high school districts, many persons have been contacted and asked to attend the clinic. Lukenbill is publicly inviting all persons who have started on the road toward a teaching career.

Objective of the teacher recruitment program is to obtain a complete listing of all available teachers, to be used in filling vacancies. Lukenbill says the shortage locally has been in the high schools, particularly in the fields of music, home economics and science, and in teachers for the mentally handicapped.

DOWNED!

MOUNT STERLING, Ky. (AP)—A Brahma bull calf that escaped from a local stockyard picked on the wrong fellow Wednesday.

When the 200-pound calf wandered into a department store, store manager Harold R. Tribble quickly flipped it on its side, trussed it and dragged it out the back door.

The 125-pound Tribble was a cow-puncher in New Mexico years ago.

The average letter is handled by U.S. Post Office employees 11 times before it is delivered.

Ultimatum G Teamste

WASHINGTON (AP)—An AFL-CIO coalition Teamsters Union a choice today be R. Hoffa and other leaders it labeled as the federation.

That is the purport of an AFL-CIO report finding formally that the Teamsters Union is the federation. The report named Hoffa, Dave, others as being responsible.

The AFL-CIO Executive Council, which meets in New York next week, still must act on the report and prescribe the terms of any penalty. But that is regarded as a formality. The decision is up to the Teamsters: a thorough cleanup, or seemingly certain ouster from the AFL-CIO family of unions.

This is no meaningless penalty. It would mean Teamsters officials everywhere would have to forfeit positions of prominence in key state and local labor echelons. It also would mean ostracism and all-out warfare with practically all the rest of organized labor—a fight that could be bloody and could endure for many years.

Fletcher Taft Rites Saturday

Fletcher Taft, (above) 48, of Lincoln rr, service supervisor of Central Illinois Electric and Gas company, died at 7:43 p.m., Wednesday in Abraham Lincoln Memorial hospital where he was a surgical patient.

"Some Of Worst"

"Those are some of the worst shots I've had," the President muttered in disgust.

Palmer whacked one long and far down the middle, then young Letiecq stepped up. He showed a trace of nervousness but it did not interfere with his drive which traveled about 240 yards down the middle.

The youth gave a big sigh of relief as Flitta stepped up to the tee and also got off a good drive of close to 250 yards.

"Well, have fun," Hagerty remarked to the President with a grin as the first foursome started toward the first green.

Two Mr. Pulpit persons have gained a measure of fame by digging their own graves.

They are Mr. and Mrs. Claude Renner. They were "written up" by Thomas Morrow in the Chicago Tribune because of this unusual bit of preparedness.

His article said: "I dug my own grave," said Claude Renner, a slender woman, dressed in a blue straw hat and gingham dress.

Then she gestured with her hand to where her husband, Claude, 80, was riding over the sun drenched cemetery grass on a power-mower.

"And he," she added, "dug his."

Mrs. Renner was looking down at two neat granite topped graves. They had the stones, and on them were the inscriptions, "Renner," "Claude William, 1877-1937," and "Claire - 1878-1937."

"Vaults are all in," she said, "Everything is ready. All they have to do is take the lid off, fix the soil seal, and put us down in it."

Could have had the red granite, Mrs. Renner said. But they chose the gray. Thought it was water.

"Get a special price, being in the cemetery, you know," she said.

"Yes," said Mrs. Renner. "We got a cut, as we are always pulling for these people's vaults. Cost us \$500 apiece. Expensive. But it's our last resting place, and we wanted what we wanted."

This wasn't much new or startling, Mrs. Renner said. She pointed to six well tended graves.

"All futures," she said, "I said the whole thing reminded her of a thing Mr. Wright used to say. 'Give me a good vault and you will just wrap me in a blanket. Well, that's the way we feel too.'"

Mrs. Renner and her husband have been tending the Mr. Pulpit cemetery for some years. It is a neat cemetery, with all the white birches, and each blade of grass combed and in place.

"We've got the power tools to go around the vaults," Mrs. Renner said proudly. "You know, too, she added, sometimes people are giving better than they give. One gave them a lawn mower, I just say, 'Why, they're all our friends. They all look like me.'"

She went down to her grave, Mrs. Renner continued, and her husband'd the same for her. She said they each took three trucks full of dirt.

"Some people," Mrs. Renner went on, "try to get the best locations. Some like it on a hill, some like the shade. When it came to me, I said, 'I was born on a hill in Fairfield, Ill. I want to be buried on level ground.'"

Mrs. Renner journeyed on his power, hauled, and did not get many more than 80 years.

"Sunbather you," he was asked, and he said, "No, but it did another man. Overcome! Put him out of the game. He was a real one. A Lincoln stone over there," the reporter said. "Any relation to Al Lincoln?"

"Expect so," said Mrs. Renner. "Are you this well prepared to leave this world, I asked myself after reading the article."

"Expect not," was the answer.

TO CLEAN WATER PIPES

Market Review

SPRINGFIELD, September 20, 1937 - Producers Live Stock Commission Company reported a moderate run of hogs for the week, totaling 4,866 head, a decrease of 112 head from the previous week.

Monday choice hogs topped at \$19.25 cwt. The price declined each day and by the close of the week, the market had lost 55 cents cwt. On Friday the choice 180 to 270 pound hogs sold from \$17.75 to \$18.50 cwt; 250 to 300 pound hogs sold from \$17.75 to \$18.25 cwt, and heavy sows sold down to \$16.50 cwt.

Cattle and calf receipts were very light for the week, totaling 248 head. Good to choice steers and heifers sold from \$20. to \$23.50 cwt, 50 cents cwt. lower. Medium grade, butcher cattle sold from \$13. to \$15 cwt. Common steers and heifers sold from \$10. to \$14 cwt. Best cows sold from \$10.50 to \$13 cwt. Canvassers and cutters sold from \$7. to \$10 cwt. Best bulls sold from \$12. to \$16 cwt. Utility and culler bulls sold from \$8. to \$10 cwt. Choice veal calves sold from \$10. to \$15 cwt. Good to choice veal calves sold from \$10. to \$12 cwt. Utility and commercial calves sold from \$8. to \$10 cwt.

PEORIA REPORT

PEORIA, Ill. - Salable receipts of livestock at the Peoria market for the week totaled 11,200 hogs, 2600 cattle, 400 calves, and 1900 sheep and lambs, as compared with 12,300 hogs, 2200 cattle, 450 calves, and 1615 sheep and lambs a week ago.

The hog market continued to decline, closing prices 75 cents to 1.20 lower. Increased receipts at major centers, lower wholesale prices, and the telephone strike were all depressing factors. On Friday choice 200-250 lb butchers 18.50-18.75; late sales mostly 18.50 and down. Extreme top of 19.00 was paid for a small package of meat-type.

Choice 120-150 lb butchers 17.50-18.25; Sows 50-75 cents lower. On Friday choice sows 375 lb and down 17.75-18.50; late sales mostly 16.00-17.50, Boars 12.00 and up.

Cattle receipts not excessive but lower wholesale prices and the telephone strike slowed the trade. Blattingly steers closed 50 cents or more lower, heifers near steady. Good and choice steers 21.00-23.50; average choice to prime 24.00-25.00. Prime project fed steers up to 27.00 in extremes. Standard and good grass quality and shorted steers 17.50-20.00. Choice heifers 17.50-20.00; high choice up to 24.00. Standard and low good heifers 15.00-19.00. Cows active, strong to 50 cents higher. Culler and utility cows 12.00-15.00; young commercial up to 14.50; canners down to 11.00. Bulls strong to 50 cents higher. Most bulls 14.50-16.00. Heavy sausage bulls up to 17.00. Calves 20.00-25.00. Lamb top 20.00.

There is nothing particularly new in the hog situation. We feel it is advisable to move hogs as they reach desired figures.

AT CHICAGO - Salable hogs 1,000, No. 1 and 2 20-22.5 lb butchers 18.50-19.50; No. 2 and 3 grades 20.00-22.5 lb 18.50-19.50; mixed grade 20.00-25 lb 18.50-19.50; most 450-500 lb 17.50-18.50.

Salable cattle 100, Prime 17.75-18.50 lb steers 22.50-25.00; prime 1400-1500 lb steers 27.00-27.75.

Annual State Chamber Fete Oct. 17, 18th

CHICAGO - Corrupt labor practices, creeping federal control, and a portrayal of other business and government problems affecting businessmen will be the primary subjects of the Illinois State Chamber of Commerce 38th annual meeting.

The affair, leaving city meeting of its kind in the midwest, will be Oct. 17-18 (Thursday and Friday), at the Conrad Hilton and Sheraton-Blackstone Hotel in Chicago. Twenty-three speakers from all over the country will address the Illinois businessmen who will attend sessions during the two days.

Opening the program at noon Thursday will be Ben W. Heinemann, chairman of the Chicago and North Western Railway System. He will propose challenging new theories contributing to the "revolution" in railroad management.

To Dwell On Taxes

Runaway federal spending, high taxes and inflation are a trio of sore subjects scheduled for discussion Thursday afternoon. The speakers will be two U.S. congressmen and one of the nation's most capable business executives - include Congressman Frank T. Bow, Clinton, Ohio; Congressman Richard M. Simpson, Huntington, Pa.; and T. V. Houser, board chairman, Sears Roebuck and Co., Chicago.

Financial cons of inflation and raising will be argued by leaders from both camps at the dinner session Thursday evening. Taking opposite sides of this "hot potato" will be Ray E. Latta, executive vice president, Burroughs Corp., Detroit, Mich., and vice president, United Commercial Bank, New York City, America, versus Travis T. Wallace, president, Great American Reserve Insurance Company, Dallas, Texas, and executive committee member, American Cancer Society. This dinner traditionally honors local chamber of commerce officials.

Friday morning a panel of six speakers will focus their attention on such pressing state problems as public assistance, schools and surrounding areas, transportation. Slated for talks are State Senator W. Russell Aronson, Evanston; Roger A. Freeman, vice president, Institute for Social Science, New York; and Washington, D. C.; Virgil E. Gurnick, chairman, Chicago Transit Authority and these representatives of Illinois: Monroe School in Lincoln, M. E. Sorlie, of the Illinois State Civil Defense agency in charge of the survival planning for the state; Lewis, Tacoma, Wash. While there Dr. Knobel interrupted at Madigan General Hospital.

The Red Cross canteen in charge of Mrs. Zimmer J. Brown will serve dinner at noon.

SEEN HIM?

MISSING - Harold C. Waldron (above), Williamsville, has been reported missing by Mrs. Mayne Waldron of Williamsville. He was an employee of St. John's hospital at Springfield. Anyone having information about the whereabouts of Waldron is asked to contact Mrs. Mayne Waldron or Mrs. Pauline Waldron at Williamsville.

Evacuation of Area Studied

Gen. Clay M. Donner, resident planner of the Springfield office of the United Mine Workers' Building, 400-410 East Monroe st., has reported a survey will be made in co-operation with Civil Defense directors and public officials in surrounding counties. It take care of citizens in the event of an evacuation of Springfield.

The Springfield office will conduct a study and obtain information for the use of state headquarters in developing a survival plan for the city of Springfield and adjacent areas. Particular attention will be given to traffic problems in the event it becomes necessary to disperse our population. A study will be made of existing shelters and buildings that may be used for reasonable safe shelter.

The program for Springfield and surrounding areas will be developed in the event it is necessary to provide shelter and accommodations for evacuees from other areas.

About 75 members of the Central Illinois Area Civil Defense Council will meet at 12 noon Sunday at Washington Hotel in Springfield. The council is headed by Mayor M. E. Sorlie, of the Illinois State Civil Defense agency in charge of the survival planning for the state.

The Red Cross canteen in charge of Mrs. Zimmer J. Brown will serve dinner at noon.

Grain Trend On Downside

CHICAGO - The general trend of the grain futures on the Chicago Board of Trade during the past week was lower one basis for the period being as follows: wheat, 14 to 3 cents; corn, 14 to 1 cent; oats, 14 to 1 cent; soy, 3 1/2 to 4 1/2 cents; and beans, 1 1/2 to 1 1/2 cents per bushel.

In beans, the harvest area is expanding day-to-day, and new crop beans are moving from first hands in an increasing stream. At this terminal, the recent daily run has been about evenly divided between new and old crop and with this year's crop prospect at an all-time high level, naturally the movement from first hands has been dominating the situation to an increasing degree. Another item of weight on the new crop beans futures price structure has been the relative weakness that was shown in the maturing old crop September delivery on the final day for pit activity in that future.

On corn, while losses in the new crop futures were of strictly fractional size, the market was caught in a cross-current of news - one concerned with the weather situation and the other with potential Washington developments on the subject of a possible government support price for corn raised on acreage outside of the allotment program. Weather forecasts are calling for probable front experienced in sections of both Iowa and Minnesota for Thursday night, which, incidentally, failed to materialize.

On the other hand, there was a briar revival of talk bearing on the probability of the Secretary of Agriculture acting a federal loan price for corn grown by non-operating farmers.

After the market closed today, it was announced from Washington that such corn would be supported at a national farm level of \$1.10 per bushel which individual farmers are expected to make the announcement. The Secretary of Agriculture stated that it was being done to prevent a speculative increase in hog production and with it, a bad break in hog prices.

Will Elect Five Logan Co. Officers

Election of a county judge, county court clerk, sheriff, treasurer and superintendent of schools will take place in Logan county in November of 1938.

While it is too early for any candidate to file his intention to run, political rumors are already afoot to indicate that incumbents will be candidates for re-election.

These are said to include Judge Leland H. Dunham, Clerk Leonard McCann, and Supt. E. H. Lokenhill. A new law enacted by the last session of the general assembly which raises the county judge's salary to \$10,500 per year is expected to draw more office seekers to that position.

Mentioned as possible candidates for county judge are Leland Simkins and R. Marvin Baker, among several attorneys who may enter the race.

Deputy Treasurer Herschel Schrader is expected to be a candidate for the treasurer's post with incumbent Lionel Hodges "whispered" as a possible candidate for sheriff. Deputy Sheriff Joe Scanlon is also expected to be a candidate to succeed Sheriff William Key.

Rumors place Deputy Sheriff Ken Zimmerman both in and out of the sheriff's race.

Lokenhill, a Democrat, who has been school superintendent for many years, might be opposed by Republican Donald Spain, Lincoln high school vocational agriculture teacher.

Principal Jailed for Wood
Paddle Use on H.S. Boys

DECATUR, Ill. (U. S. — The youthful principal of Lakeview High School was jailed Sunday after two mothers complained he was too severe in applying wooden punishment to their sons.

David W. Beggs III was held briefly in Macon County jail, then released on bonds totaling \$2,000.

He was ordered to appear before Justice of the Peace Wayne E. Ellis this morning to answer assault and battery charges.

Mrs. Bertha Kwasny and Mrs. Glauys Lindsey charged Beggs 26, with administering undue punishment. Mrs. Kwasny said her son told her they were punished because they had taken clothing from another boy's school locker without permission.

Hit With Paddle

Mrs. Kwasny told authorities her son, Walter, 13, had been hit eight times with a wooden paddle. Ellis, uncle of Larry Linsey, 15, said the Lindsey boy said he had been hit 18 times with the same paddle.

Beggs, who was hired as principal at the Decatur school June 11, declined to discuss the nature of the offense. However, he issued a statement saying:

"Their actions were obviously serious enough to demand forceful and unquestionable punishment. In the best interest of general school discipline and to reprimand the students in question I took disciplinary action. Both boys had previously agreed punishment was justified."

Neither parent objected to the

punishment, and both boys said they agreed it was justified. However, the boys and their mothers objected to the way in which the punishment was administered and said it was too severe.

The boys' fathers had not signed the complaint.

John W. Mooreland, Lakeview school board president, said Beggs was not the kind of man to overstep his authority. He added that it is the duty of a school principal to administer discipline.

"There are three things a principal can do in a case of this kind," said Mooreland. "He can issue a warrant accusing the pupil of some wrong act, he can

forget the whole thing, or he can administer punishment."

Same as Parent

N. E. Hutson, assistant to Vernon Nickell, state superintendent of public instruction, said that based on court decisions a teacher or principal of a public school has the same privileges to administer punishment as a parent.

Beggs had been on the Lakeview faculty as an English instructor three years before becoming principal.

Ellis said the punishment took place "early last week."

a Negro's back and hit him and kicked him. The Negro had a small camera.

The calm of the crowd was broken when a woman saw the divergatory group and shouted: "Niggers are coming." She was crying.

DRAGGED AWAY

Another white woman, screaming and crying, had to be dragged to a patrol car. Apparently she was not arrested, but ordered to go home.

An Arkansas Democrat photographer returning to his office said he witnessed an "extremely brutal" beating of a Negro man.

He said the man had accompanied a Negro youth — apparently a student who possibly was the ninth student, who did not enter.

The youth managed to flee, but white men began beating the Negro man with their fists and kicking him. He got up several times and was again knocked and kicked down.

Finally, someone shouted: "Don't kill him, give him three minutes."

HUSTLES AWAY

At this, the mauling of the Negro stopped and he hurried away.

About 200 spectators and 50 newsmen were on the scene at 7:30 a.m. (CST) but 50 state troopers, scheduled to assist city police in maintaining order, had not appeared.

Crowds numbering up to 700 milled in the street during the first week that National Guard troops were deployed around the 2,000-pupil school. Negro students made only one attempt to enter, on Sept. 4, when nine of them were turned back by National Guard rifles.

The orders of officers at the scene today were not to prevent Negroes from entering. Mayor Woodrow Wilson Mann said city police had been instructed to permit Negro students to enter if they appear and State Police Lieut. Mack Thompson said troopers would act "as peace officers, preserving peace and order."

Demos Fed Up With
Boss System

PEORIA, Ill. (U. S. — The average Illinois Democrat, says a former national chairman, "has had enough of the old time boss system."

Stephen A. Mitchell, the party's national chairman during Adlai E. Stevenson's 1952 presidential campaign, said "This protest against outworn methods and autocratic control of the party members by a few leaders has spread all over the state."

Mitchell said the protest is "especially loud and bitter" in downstate Illinois and in Cook County suburbs.

He said Illinois Democrats are forming party clubs and a club system, called the Democratic Federation of Illinois, will be formed at Springfield Saturday.

In a speech Sunday at the Peoria-Tazewell County Democratic picnic, Mitchell said the club system could "force a very inactive Democratic state committee to be more active."

Predicts More Be Read Than

CHICAGO (AP)—Gilbert P. Swanson, president of the Newspaper Advertising Executives Assn., today said "more people will read and read more newspapers this year than ever before in history."

He also said that "more advertisers will spend more money on newspapers this year than ever before in history."

Swanson of the Spokane Wash. Spokesman-Review and Spokane Daily Chronicle spoke the second annual a parley use of color in newspapers.

He recalled that 1956 was a record year for newspapers in circulation and advertising revenue and he added:

Setting Records

"For the first eight months this year newspapers have shattered all previous records. Circulation of daily newspapers has again moved up to 58,600 copies daily and advertising revenue has again climbed to a all-time high.

"It is already safe to pre-

TAKES 90

LONG BEACH, Calif. (U)—A Marine Corps sergeant surprised a municipal judge when he told him he preferred a 90-day sentence rather than 30 days.

Sgt. Richard K. Battershell, 27, of Camp Pendleton, Calif., was ordered Tuesday to serve 30 days for cashing five forged checks totaling \$625. He told Municipal Judge Beach Vasey:

"If I serve 90 days I'll receive a bad conduct discharge from the Marines without a court martial.

With a 30-day sentence, however, the Marines could court martial him and make him serve additional time in a military prison, Battershell explained.

Judge Vasey granted the request.

Turncoat Farm Sale Approved

MURPHYSBORO, Ill. (U)—The sale of a farm which turncoat Alfie Pate said he wanted to work on after his return home from Red China last December has been approved by Circuit Judge Harold H. Zimmerman.

The master of chancery sale of the small farm in the clay hills of Jackson County in southern Illinois was approved Tuesday by the judge. The elder Pate requested the sale after a dispute over ownership.

It was bought by Mr. and Mrs. Clyd Hill, farmers in the area, who said they would use it as a tenant farm.

Costs of the sale and other court costs will be deducted

Pleasant Day Across State

CHICAGO (U)—Sunshine and mild temperatures gave Illinois its most pleasant day of the new autumn season today.

Readings climbed toward the 70s and low 80s under skies flecked with tufts of fair weather clouds.

The Weather Bureau said the temperature was expected to dip to a cool mid 40 tonight in the north. A low around 50 was predicted for the south.

Thursday's forecast was continued fair but somewhat cooler. The temperature reached 78 degrees Tuesday in Quincy, the warmest reported in the state.
