## Brothers Get Sentence Here

Joseph, 19, and Charles Karnes, 22, Clinton brothers, were sentenced to a year at Vandalia Penal Farm by County Judge Leland Dunham Tuesday after they pleaded guilty to obtaining property under false pretenses.

They reportedly admitted obtaining corn worth about \$2,000 from grain elevator operators in Logan, DeWitt, Piatt and Macon counties.

They were arrested by Logan county deputy sheriffs after a complaint by the operator of the Chestnut elevator.

They were obtaining corn on time payment agreements and then immediately reselling the corn, it was reported.

## Stock Market Steadies as Prices Rise

NEW YORK — The stock market steadied and began to move ahead, slightly in lively trading early this afternoon. Leading issues advanced fractions to a point or more.

Prices were irregular early but the market resumed a pattern of buying on spells of weakness. Turn Firmer.

Steels and motors gave ground early but firmed and went ahead. Chemicals, oils, some rails, drugs and tobaccos also showed plus signs. Aircrafts adopted a lower trend. Rubbers were mixed. Utilities changed little, American Telephone having a 1-point loss.

Chrysler was up fractionally in the wake of its labor settlement. General Motors, down a bit at the start, advanced a point or so despite the walkout at its plants.

Early concern that the Federal Reserve Board might take further restrictive action on credit appeared to be evaporating. Meanwhile, higher retail sales in September and a sharp rise in electric power output were encouraging items.

Others Go Higher. Allied Chemical rose about 2 and Gulf Oil more than a point. Most oils continued their rise of Wednesday. Texas Co., Standard (NJ) and Royal Dutch were up fractions.

International Nickel also was a point ahead. Anaconda and Kennecott rose about a point and Magma Copper about 2. U.S. Steel was up a sizable fraction. Jones & Laughlin added more than a point. Lukens was up a point.

Exceptional losses were taken by Douglas Aircraft, United Aircraft, Johns-Manville, Southern Railway and American Cyanamid.

U. S. government bonds were up slightly in slow dealings over the counter.

The general election is Tuesday, Nov. 4.

## News of Day Put In Brief

WASHINGTON — The United States was reported cool today to the Soviet proposal that foreign ministers — not ambassadors — meet to seek agreement on ending nuclear weapons tests. But the proposal was promised careful study.

The Soviet proposition was made Wednesday in notes to the U.S. and British embassies in Moscow. The three governments had agreed earlier to negotiate for a nuclear test suspension in Geneva Oct. 31 but the expectation had been that they would be represented by ambassadors. This country had designated James J. Wadsworth, one of its U.N. ambassadors, to head the U.S. delegation.

ALGIERS — Premier de Gaulle returned to Algeria today to inspect troops and deliver a policy statement. He is expected to spell out at least some of his plans for this troubled North African territory.

He was given a big welcome, though scattered hit-and-run incidents of sabotage and terrorism were staged by nationalist rebels in the countryside overnight.

WASHINGTON — President Eisenhower today added an appearance at the National Corn-Picking Contest in Cedar Rapids, Iowa, Oct. 17 to his growing pre-election travel plans. The White House said it is prob-

## Lions Club to Sell Light Bulbs

Annual light bulb sale of the Lincoln Lions club will open Monday, Oct. 20, on which date members will canvass the city to sell bulbs, with proceeds going to blind charities. The sale is in conjunction with similar sales being conducted on the same dates by the Mt. Pulaski, Atlanta, San Jose and Springfield Lions clubs.

The \$2 bag of bulbs will contain four 60-watt bulbs, two 75-watt bulbs and two 100-watt bulbs, in addition to a 150-watt bulb as a bonus from the Central Illinois Electric & Gas Co. Lincoln chairmen are Ray Griffith and Ron Holloway.

President Ken Zimmerman presided during Wednesday evening's Lions club meeting in Abraham Lincoln Memorial hospital dining room. The guest speaker, introduced by Robert Endres, was a representative from the state bureau of traffic safety, who showed a film and spoke on the state enforcement and record-keeping system.

Next week's meeting will be a family wiener roast at the home of Lion and Mrs. Stan Cooper.

Boone Hall, principal of Wheelwright, Ky., High School, planned to meet with parents and officials to decide what to do about the first racial incident since mixed classes began at the school three years ago.

Police broke up a demonstration by white pupils in which rocks were thrown and some windows were broken Wednesday. Hall said it was an outgrowth of a fight between a white girl and a Negro girl in a restaurant the day before.

Classes were suspended indefinitely.

## Tell Low Bids

Highway Supply Co., Decatur, and Rocky Ford Limestone Co., Lincoln, were low bidders on materials to be used for maintenance of Corwin township roads when bids were opened Thursday morning in the office of County Highway Supt. Conrad Miller.

Highway Supply bid was \$262.20 for 30 lineal feet of corrugated metal pipe arch culvert; and Rocky Ford bid \$1,500 on 1,000 tons of gravel or crushed stone surface course.

## Mrs. Taft Buried By Late Husband

CINCINNATI (AP) — Mrs. Martha Bowers Taft will be buried today beside her husband, the late U. S. Sen. Robert A. Taft.

Funeral services will be held at Indian Hill Church near their home.

A heart attack caused Mrs. Taft's death Thursday. Her husband died in 1953.

Mrs. Taft, 68, had been identified with the election successes of her husband because of her vigorous campaigning on his behalf.

President Eisenhower, in a telegram to William Howard Taft II, one of their four sons, said:

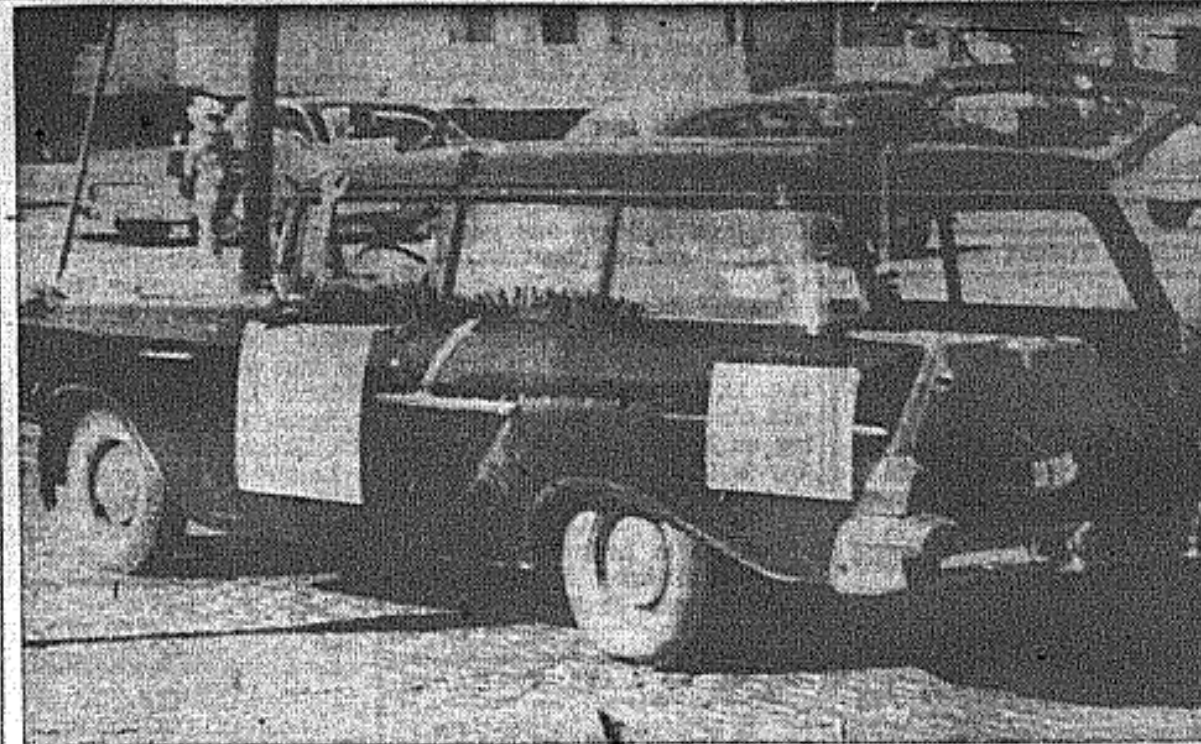

"Mrs. Eisenhower and I are greatly saddened to learn of the death of your beloved mother. We join in deep sympathy to you and all the members of your family."

## Mrs. Etta Dugan Dies in Peoria

Mrs. Etta May Dugan, who made her home with Mr. and Mrs. Frank Crawford of 1025 Clinton st., died at 10:30 p.m., Friday in Peoria. The body is at Fricke Memorial Home where friends may call Sunday afternoon and evening.

Services will be at 1 p.m., Monday from the funeral home with the Rev. E. H. Eckstein officiating. Burial will be in Greenwood cemetery, Decatur.

The deceased was born in Columbus, Ind., July 14, 1874, the daughter of Joshua and Mary A. Knight. She was married to James E. Dugan, Sept. 15, 1889, in Greenup and he died May 28,

## WANTS BOTH

MARION, Ill. (AP) — A compromise has been suggested in a controversy over whether the golden corn tassel or the rose should be selected as America's national floral emblem.

Sen. Paul H. Douglas (D-Ill.), a tassel advocate, suggested Friday that the tassel be chosen as the U.S. emblem and the rose,

or more specifically the peace rose, as the international flower of the United Nations.

Douglas said the rose, nominated by Sen. Margaret Chase Smith (R-Maine,) is the national flower of England, Iran, Rumania, Luxembourg, Honduras and perhaps other nations.

# IF WISHES...

SAN JOSE—A woman traveling near here Sunday on route 136 on her way from Chicago to Keokuk, Ia., made a wish and then was sorry she did.

The woman told her husband as they were driving along that the San Jose area is good pheasant country and she hoped they would see some. A few moments later a large cock pheasant crashed into the windshield of the car and fell to the woman's feet.

She and her husband suffered cuts from the flying glass that resulted. They were treated by Dr. Dean Hauter here. He told the story but wouldn't reveal the names of the persons involved.

# Stock Market Higher Again

NEW YORK — The stock market continued a rush into new record ground in heavy trading early this afternoon.

Copper, steels, airlines, some motors and chemicals set the pace.

Leading stocks gained fractions to a point or more. Selected issues made wider gains.

Predictions of even higher copper prices, the inauguration of the commercial jet aircraft age over the Atlantic, continued good prospects for the steel industry and a variety of encouraging reports on the economy and specific companies accompanied the rise.

**Reaches Peaks**

The market was resuming its vigorous advance of last week to a string of historic peaks.

Magma was outstanding in the copper group, jumping more than three points. Kennecott was ahead about two and Anaconda and International Nickel well over a point. Phelps Dodge added a point.

American Telephone advanced more than a point. General Motor gained a fraction.

U. S. Steel and Crucible each rose about a point.

Pan American World Airways was steady and Eastern Air Lines up about a point.

American Cyanamid rose about a point while Air Reduction and Du Pont did better. Royal Dutch was ahead about a point.

U.S. government bonds improved.

## Two Cases Under Advisement Here

Two cases were taken under advisement by Circuit Judge Frank S. Bevan Wednesday following arguments by attorneys. Arguments on a motion to dismiss a complaint against the city of Lincoln were heard, with no ruling being made.

City Attorney Daniel W. Handlin asked that the mandamus action, brought against Mayor Edward L. Spellman and members of the city council by Joseph Lorman and other union officials be stricken, on grounds that it was unconstitutional.

The union filed the court action in an attempt to force the city council to adopt an ordinance setting a prevailing wage scale.

In the other action, brought by Central Illinois Electric & Gas Co. against T. A. Scully and others for condemnation of land for right-of-way, arguments were heard on the defense motion for the plaintiff to make its complaint more certain.

Hearing on the case was continued pending a survey to be conducted by the utility company to determine the exact location of poles which it seeks to erect on Scully lands for a new power transmission line.

## Institute Here Will be Friday

Program for the fall session of the Logan County Teacher's Institute will begin at 9 a.m. Friday in the new Lincoln community high school auditorium. The meeting is open to the public, and will include a tour of the high school building. Speakers will include Dr. Raymond Doolley, Lincoln College president; Dr. August M. Hintz, Chicago pastor; and Dr. Willard G. Roberts, president of Parsons College, Fairfield, Iowa.

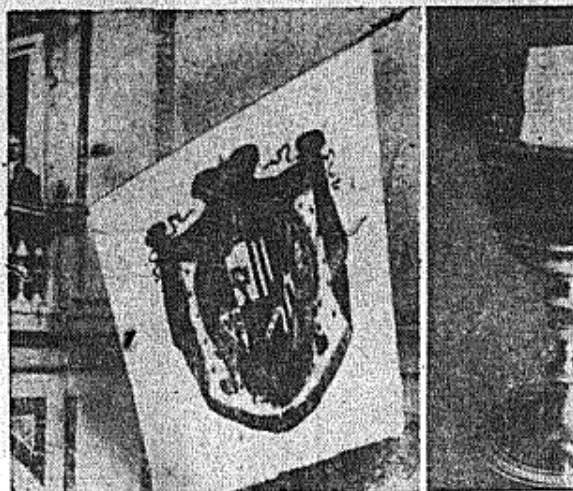

## Former Resident's Last Rites Friday

Services for Mrs. John Hochevar, of Springfield, a former Lincoln resident, will be Friday at 1:30 p.m. from the Staab Funeral Home, with Dr. Joseph H. Albrecht officiating. Burial will be in Oak Ridge cemetery. Mrs. Hochevar, 67, died Tuesday at her residence, 511 S. New st., following an illness of two years.

The deceased was born Aug. 8, 1891, in Austria-Hungary, to Frank and Katherine Amhauser Pike. She spent much of her childhood in Lincoln, and was married here on Jan. 22, 1910. She lived in Springfield for the past 33 years.

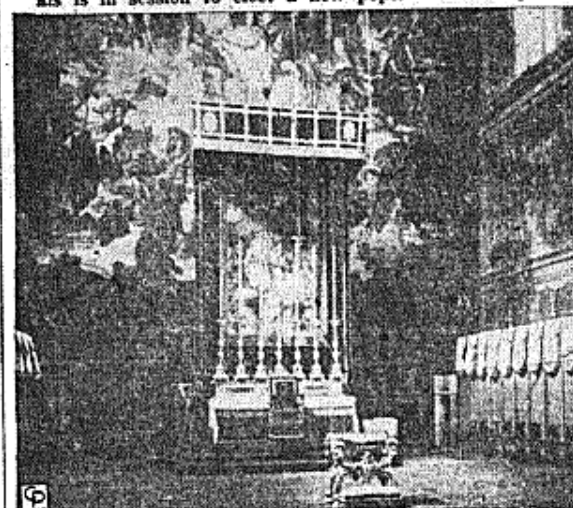

Surviving with her husband are: a daughter, Mrs. Ben Bartlam, two sisters, Mrs. John Adams, sr., and Mrs. Donald Christy, all of Springfield. There are six grandchildren. Carl Podbelski, of rural Lincoln, is a nephew of the deceased.

## Corn Drying Meeting Set

"Do's and don'ts" of corn drying and storage will be stressed at a county extension meeting Monday night, Oct. 13, at 7:30 p.m. (CST) at the Farm Bureau building in Lincoln. Noel Myers, chemical engineer with the A. E. Staley Manufacturing Co. of Decatur, will be present to answer questions in regard to the processors view point on dried corn.

Frank Andrews, agriculture engineer from the University of Illinois, will also be present to present the latest improvement in drying and storage equipment. A panel of Logan county farmers who have had experience in using crop drying equipment and facilities will be moderated by Albert Gehlbach of Lincoln.

With the present interest and trend toward more artificial drying of corn information on proven methods will save costly mistakes for many farmers who will anticipate a change in their harvest and storage methods.

## Get Contract For Workers In Car Plants

DETROIT (U) — A new auto industry contract cleared the way today for 25,000 strikers to return to work, but apparently did little to boost the lagging 1959 car output.

General Motors and the International Union of Electrical Workers Wednesday night agreed to a three-year contract covering IUE workers in five cities of GM's nationwide operation.

The pact, arrived at after a week's IUE strike, followed the pattern of the United Auto Workers three-year contracts for half a million production workers.

However, GM, largest of the car makers, still was crippled by local plant strikes.

A full week after the national UAW settlement the company had local settlements at only 12 of its 126 plants employing about 26,000 of its 275,000 workers.

Strikes and a new dispute over firing broke out at Chrysler. Ford alone of the Big Three had no walkouts though a parts shortage has been a problem.

The Chrysler firings were at its Twinsburg, Ohio, and Newark, Del., plants where the UAW international ordered wildcat strikers back to work Tuesday. Newark strikers obeyed but Twinsburg strikers refused to go back. About 3,000 men were involved.

The UAW, reported 43 men fired, charged Chrysler with "reckless and irresponsible" action and trying to "exploit the good faith efforts of the union."

The GM-IUE settlement provided for a pay raise and improvements in pension and layoff pay plans, as well as including the new UAW severance pay arrangement for permanently discharged men.

Al Harnett, IUE secretary-treasurer, said the IUE wage increase is 25 to 38 cents an hour spread over the three years. The UAW's has been estimated at 24 to 30 cents.

Industry wages vary depending on job classifications. The production worker over-all average is about \$2.49 an hour.

The IUE workers are in Dayton and Warren, Ohio; Chicago; Rochester, N. Y., and New Brunswick, N. J.

### Some Strikes Settled

Cincomo Cardinal Lercaro, archbishop of Bologna

Giuseppe Cardinal Siri, bishop of Genoa

Angelo Giuseppe Cardinal Roncalli of Venice

ONE MAY BE NEW POPE—Here are eight men of the Roman Catholic church believed to be the forefront as possible successors to Pope Pius XII. Selection of Cardinal Spellman, however, is believed unlikely for political reasons. The next pope probably will be an Italian, it is believed.

Left: The biglietto, or ornamented card on which name of cardinal selected by the individual is placed in space marked "Nomen." Each cardinal then signs in space marked "Signa." Right: These are voting tools. The box contains black and white pellets, or "ballot slips." Each cardinal takes a pellet and drops it into either of two wells in the instrument in middle. In one for "yes," the other for "no." A long black cloth covers the voter's arm and voting apparatus.

## \$250,000 Fund Will Be Sought By College Here

Walter Trohan, Washington correspondent for the Chicago Tribune, Dr. Karl A. Meyer of Chicago, physician and outstanding civic leader; Miss Grace C. Burton of Washington, D.C., distinguished alumna of Lincoln College, Mayor Ed Spellman, N. L. Gordon and David H. Harris of Lincoln, the latter president of the board of trustees of Lincoln College, have been named honorary chairmen of the Lincoln College Centennial Development Fund Campaign for a minimum of \$250,000. It was announced Sunday at an informal gathering of 100 Lincoln and Logan County alumni and friends of the college.

Background of the Centennial Development Fund Campaign was explained by Wilbur E. Layman, vice president of the board of trustees, who described it as "the climactic step in a series of steps that have been taken over the past 10 years to set the facilities of the college in proper order for its great work."

"Capacity enrollment speaks of the acceptance the college has gained and of the promise of continuing growth," Layman pointed out. "We have an outstanding and able faculty, a dedicated and far-seeing president, and a heritage that links us to everything great in American history and tradition. The time and place are right for what Dr. Dooley has so often called 'the prestigious two-year college of the midwest'—and right here in Lincoln and Logan County."

"This has moved the Board of Trustees and close friends of Lincoln College to plan an appeal for the necessary support to continue and climax our program

ic unit combining a new, modern library set-up and an historical museum, the furnishing of the new dormitory, and additional classroom and administrative space.

He listed also among the "Centennial hopes" a new dining hall. Concluding, Dr. Dooley said: "Lincoln College has turned the corner, and with the continuation of the cooperation so many have shown and the additional friends we hope we can make, we can meet the challenge that faces us. This will give this community and county something additional to be proud of, and further guarantee that no deserving Lincoln or Logan County boy or girl should ever have to be deprived of a college education."

**Cited As Asset**  
Mayor Spellman spoke in commendation of the fine work of the college, and stressed the college as an economic asset as well as a fine cultural center. The student body president, Tucker Gray of Thilensville, Wis., spoke enthusiastically of "the opportunity beyond description" that Lincoln College gives so many young people. He said: "The smaller student body, the warm, friendly relation of the faculty, interested in persons as well as grades, and the inspiration of this Lincolnland make life at Lincoln college second to none in the minds of all of us students."

Albert N. Williams, secretary of the Associated Colleges of Illinois, spoke as a parent of one of the students, and commended the college from every angle. "We are becoming more alert as Americans," Williams stated, "to the importance of these small, and will need increasingly every accredited college to meet the demands and increased population together with an increased awareness of the importance of education."

# Lambert Funeral Rites Tuesday in Delavan Church

**Lieutenant Lambert**  
EMDEN — Funeral services for Lt. (j.g.) Carroll Lee Lambert, 21, will be at 1 p. m. (CST) Tuesday in the Baptist Church at Delavan with the Rev. Richard Mullin officiating. Burial will be in Prairie Rest cemetery near Delavan. The family will receive friends at the Hallman Funeral Home in Delavan Monday evening.

Lt. Lambert was one of 10 crewmen lost Sept. 29 aboard a submarine-hunter Neptune patrol plane which had left Key West, Fla., to return to Brunswick, Maine on a routine instrument checking mission. Lt. Lambert's body was recovered at sea, Oct. 4 about 22 miles north of Key West.

The young man was born at Delavan March 26, 1937, a son of Mr. and Mrs. Roy Lambert. He was graduated from Delavan high school in 1955 and attended Illinois State Normal university before entering the Naval Aviation Cadet program. He received his flight training at Pensacola, Fla., and was a member of the 1958 Naval aviation cadet drill team. His advanced training was at Hutchinson, Kan. He received his commission as a naval officer Feb. 5, 1957 and later was assigned to Patrol Squadron 26 at Brunswick, Maine.

He married Carol June Klokken in Emden Feb. 10, 1957. Surviving besides his wife and parents are two sisters, Mrs. Margaret Kirchner and Miss Donna Lambert; three brothers, Gary, Jimmy and Gene Lambert. Gene is from Peoria and the others live in Delavan.

Russian will be a regular subject in 137 New Jersey high schools by the end of 1958.

Plans for Lincoln College's third annual Parents' Week End are well underway. Invitations have been sent out to parents of all students.

Scheduled for the week-end of Oct. 31-Nov. 2, Parents' Week End provides an opportunity for conferences among parents, students and instructors. Parents may also visit the campus and inspect college facilities.

Highlighting the event will be Lincoln College's production of the play "My Three Angels," slated to run both Friday and Saturday nights. Other plans include a dinner Saturday night in the gymnasium. The dinner program will include music by the college choir.

Friday afternoon and Saturday will be held open for consultation between parents and instructors or counselors. In addition, the college will have open house Saturday and visitors will be invited to view all campus buildings and the museums.

A special, informal breakfast is planned for Sunday morning in the dining hall.

## Fred T. Crews Funeral Service To be Wednesday

Fred T. Crews, 82, of r.r. 3, died at 8 p.m., Monday in St. Clara's hospital where he had been a patient since last Tuesday.

He wandered away from his home, the residence of his son-in-law, Raymond Lenhardt, Oct. 6 and wasn't found until more than 24 hours later, even though state police and sheriff's deputies searched for him for most of that time.

He was found near Illinois Central Railroad tracks a mile south of the power plant, suffering from exposure.

The body is at Holland and Barry Funeral Home and friends may call there Tuesday afternoon and evening. Services will be at 2 p.m., Wednesday from the funeral home with the Rev. H. J. Barth officiating. Burial will be in Union cemetery.

The deceased was born at Fairfield Feb. 25, 1876, the son of Caleb Crews and his wife, the former Alice Borah. His marriage to Lena Stallings took place in Fairfield Oct. 15, 1899, and she survives as do a son, Estill Crews, and a daughter, Mrs. Alice Lenhardt of Lincoln; a brother, Ralph Crews of Fairfield; and two grandsons, Thomas and Michael Crews of Lincoln. Preceding him in death were three sisters and a brother.

Mr. Crews was a member of Fairfield Methodist church.

## Stocks Move Higher Again

NEW YORK UP — The stock market overcame selling pressure to move ahead irregularly early this afternoon. Trading was very heavy.

Steels and motors were extremely active. Turnover was brisk. Gains and losses of fractions to about a point prevailed among pivotal issues.

The ticker tape was behind transactions for almost half of the first hour. Brief periods of lateness occurred thereafter.

Uneven at Beginning

The market churned unevenly at the start. Gradually the price level moved ahead but was below the best in early afternoon. The average once again was moving into record high ground.

Motors, oils, electrical equipments, drugs, tobaccos and building materials advanced.

Steels, utility and aircrafts were mixed.

Studebaker-Packard once again looked like the most active stock. Opening trading was in big blocks.

American Motors, the other U.S. producer of economy-type cars, also was heavily traded, rising a sizable fraction. General Motors gained slightly and Ford was steady. Chrysler dipped.

Bethlehem, up more than a point, was outstanding among steels.

Membership cards in the Lincolnland Community Concert association were placed in the mail Tuesday, and will be received shortly by some 1,000 Lincoln and Logan county concertgoers.

The cards will entitle members to attend all three concerts this season in the new Lincoln community high school auditorium. First concert will be Saturday, Oct. 25, when Bambi Linn and Rod Alexander, television dance favorites, present their revue "Minstrel Days to Swingtime."

Due to a change in bookings by Community Concerts, Inc., the St. Louis Symphony orchestra, previously announced as the second attraction, will be third in the series, and the symphony concert will be March 23, 1959. Theodore Lettvin, pianist, will appear February 25, 1959.

## Fire Destroys Barn in Logan

Fire of unknown origin destroyed a barn and its contents on the Raymond "Friskie" Lanterman farm two miles west of Chestnut early Monday morning. It was learned today.

When the fire was discovered the barn already was nearly destroyed. Mt. Pulaski and Chestnut fire departments were called to the scene and the Chestnut department stood by until morning to be sure that the fire didn't start up again.

The barn contained some grain and farm equipment, it was reported, but no livestock.

## Reaction in Stock Market

NEW YORK (AP) — The stock market early this afternoon and upward move by coppers and steels fizzled.  
It was the market's third straight day of reaction from historic highs.  
Trading was heavy in the first hour with the ticker tape late for periods of six and eight minutes. Turnover moderated but still remained active as prices declined.  
The action followed a Federal Reserve Board boost in margin requirements for stock purchases to 30 per cent from 70 per cent—a move to restrict credit which Wall Street has been speculating about for some weeks.  
The margin hike came with report that net debit balances of New York Stock Exchange member firms' customers rose to the highest level since November 1931. This represents the amount of money owed to brokers by customers who have bought on margin.  
Stock prices gyrated considerably before settling to losses of fractions to around a point.

# Chased by High Water

BROWNSVILLE, Tex. (A) —The flooding Rio Grande teamed up with heavy downpours to chase thousands from their homes on both sides of the border river.

More rains upstream on the Mexican side threatened even higher water.

Heavy releases of water were made from Falcon Reservoir, about 150 miles upstream, because the flood pool was full and more water was headed downstream.

The releases combined with downpours and inflows from Mexico to spread flooding and misery from the huge reservoir to the Gulf.

At Elsa, Tex., heavy rains of up to 5 inches flooded streets and houses, closed schools and sent some 120 persons to temporary shelters.

The Mexican city of Carmago was deserted except for police and army officials. The entire population estimated at more than 5,000 sought higher ground when the Rio San Juan backed into streets and houses.

## Uses Shovel to Rout Bear in Chicken Lot

JONESBORO, Ark. (AP)—A shovel in the snout routed a big black bear from a chicken yard here Monday. The shovel wielder was Lotus Cooksey and the chicken yard was his. He discovered the bear when he heard a commotion in the yard and investigated, expecting to find a stray dog.

The 65-year-old ex-postman fought the animal for 15 minutes. He hit the bear on the nose and then found an iron rod to poke in the bear's stomach.

The bear climbed a tree in retreat. He sat there for two hours while armed police and a game warden, summoned by Mrs. Cooksey, watched. Finally bruin clambered back to the ground and ambled away toward the Cache River bottoms whence he had come.

## Pederson Last Rites Thursday

## To Mail Plates

SPRINGFIELD, Ill. — Mailing of 1939 Illinois auto license plates will start Nov. 1, a month earlier than usual.

Plates may not be displayed before Dec. 1. Secretary of State Charles F. Carpenter said today. Over the counter sales in Springfield and Chicago will start Nov. 17.

Carpenter said the Nov. 1 starting date for mailing plates is expected to speed the process enough to compensate for the slowdown that usually occurs during the heavy postal business of the Christmas season.

## Suffers Foot Injury

Rodney Wayne Luckhart, about 7, of r.r. Lincoln, was dismissed after treatment at Abraham Lincoln Hospital.

## Council - - -

(Continued from page 1)

Two bills presented to the city are being held until the persons who presented the bills pay their back sewerage service charges.

Omer Hendricksmeyer resigned from the recreation board and Ray Knoche was appointed to replace him.

A letter by Mayor Ed Spellman welcoming Cutler-Hammer to Lincoln was approved by the Council.

Two changes to the zoning ordinance were approved. Both allow a use variance to property owners who requested it.

Use of \$1,000 to help cover costs of constructing a sewer on Beach street to reach a development was approved by the Council.

The city will advertise for bids for a new tractor for the city dump.

Sending of Billie Joe Ellis and Everett Kennett, city fire inspectors, to a three-day school at Purdue University was approved. Cost will be \$100.

The state reports it does not feel it necessary to install traffic lights at Union street and route 66 near the Cutler-Hammer plant. It has recommended, instead, that manually operated lights be installed by Cutler-Hammer and used during rush hours.

The state will investigate the need of a traffic light at Union and 17th streets.

## Stocks Turn Lower Today

NEW YORK — The stock market was irregularly lower in early afternoon but showed signs of rallying.

Changes in either direction ranged from fractions to around a point.

It was a churning market on less volume than recent sessions. Prices were higher at the start, turned lower near midday, then began to improve again.

Coppers and oils generally were up. Motors were lower and active. Many groups were mixed.

Studebaker-Packard, most active issue the past five sessions, again was all over the tape, including a 30,000 block trade.

Some brokers said the market was gyrating largely under the influence of profit taking. Others suggested that traders were a trifle skittish, partly because of the worsening foreign situation. American Motors shipped 2 points, then cut the loss to a fraction.

Raytheon and International Telephone, both strong recently, lost a point or so.

Small losers included U.S. Steel, Republic Steel, Ford, Good-year, RCA, Commonwealth Edison, and Pan American World Airways.

U.S. Government bonds continued to decline while corporates were mixed.

## September Living Cost Stays Same

WASHINGTON (U) — The government reported today that living costs remained unchanged in September. At the same time, earnings of factory workers rose to a record level.

It was the second straight month that living costs, after a steady two-year climb, failed to rise. In August there was a slight decline.

The Bureau of Labor Statistics said its living cost index was unchanged in September from the August level of 123.7 per cent of the 1947-49 base period.

About 900,000 workers in the railroad industry will get a one-cent an hour wage boost effective Nov. 1 as a living cost adjustment based on the new index compared with what it was six months ago.

### Earnings Higher

Factor worker earnings, after deducting federal income and social security taxes, rose to \$77.25 a week in September for the worker with three dependents, and to \$69.80 for the single worker. Both spendable earning figures represented record highs. They were both about 65 cents above August levels and about \$1.80 per week above the figures for September last year.

The bureau said factory worker buying power has been increasing steadily from a low point last April because of gradually longer working hours, higher hourly earnings and comparatively steady price levels.

Ewan Clague, Labor Department statistics commissioner, said that the gain in spendable earnings promises to increase national consumption and thus buoy economic recovery.

## Better to Be Closed?

LITTLE ROCK, Ark. (U) — Gov. Orval E. Faubus said Wednesday night it was better for Little Rock Central High School to be closed than demolished.

Faubus told a meeting of educators the South is not ready to accept integration. He closed Central High and Little Rock's three other high schools last month to avert court-ordered racial mixing of classes.

"It's better that it (Central) be empty than to be demolished, and that's what will happen when people like me are gone," the governor said.

In his address to a regional conference of the National Assn. of Guidance Supervisors and Counselor Trainers at Darby Hot Springs, Ark., Faubus also struck at the U.S. Supreme Court.

"It seems that Communists can get more consideration in the United States than a white segregationist can, sometimes," Faubus asserted.

Meanwhile, enrollment of sophomores was scheduled at the Little Rock Private School Corp.'s all-white high school today. About 240 juniors registered Wednesday.

## Funeral of Mrs. Rabbe Saturday

## Choosing Jury For Trial Here

Selection of a jury began in Logan county circuit court Monday morning for trial of the condemnation of land action brought by Central Illinois Electric and Gas Co. against T. A. Scully and others.

The utility company is seeking easements to construct and maintain an electric transmission line across Scully lands in Sheridan and West Lincoln townships.

Scully has filed an answer to the utility company's petition alleging that construction of the transmission line would be damaging to adjacent properties. Other defendants, all tenants on Scully lands, are Earl Thies, Herman Bauer, Herman Knollenberg, Walter Frantz and Henry Heldbreder.

As several prospective jurors on the original list of 50 were excused, Judge Frank S. Bevan ordered 30 more names drawn for jury duty. These 30 persons were to report to court at 1:30 p.m. Monday.

## Stock Market Turns Uneven

NEW YORK (U) —The stock market churned unevenly early this afternoon. Trading was heavy.

A tendency toward the downside was apparent. Gains and losses of the key stocks in the market averages were mainly fractional. Movements of one or two points appeared among selected issues.

The market was mixed at the start.

The lower-priced stocks continued to get a good play along with American Motors.

The weekend business and economic news brought no particular stimulus. The market appeared to many analysts as still in a period of adjustment from the powerful rise to record highs.

American Motors added more than two points to Friday's jump

## Local Firemen Coto Heyworth

Firemen fought fire that resulted from an explosion in a fuel oil pumphouse for more than an hour Monday afternoon at Heyworth to keep the blaze from spreading to four nearby storage tanks. Heyworth is in McLean County south of Bloomington and east of McLean.

The explosion occurred about 2:30 p.m. as Victor Bastin, 39, Peoria, was unloading a transport service truck that contained 5,000 gallons of oil. He was on the dock by the pumphouse when he heard the blast and saw flames shooting from the pumphouse, he told state police.

After shouting to a woman in a nearby house to call firemen, Bastin drove his burning truck away from the dock and storage tanks. His truck was only slightly damaged.

Destroyed by the fire were the pumphouse, six barrels of oil plus numerous five-gallon cans of oil.

Firemen from Heyworth, LeRoy, Downs, Lincoln McLean and Bloomington Township were called to the scene. Richard Montcalm and Milton Paige took a Lincoln fire truck to the fire. Clinton firemen were on the way to the scene when they were turned back by state police after it was learned that the blaze was under control.

Bastin's only injury was a burn on his right hand. State police set up road blocks to seal off the area until the fire was under control.

### Stocks Waver

**NEW YORK** — Stock market prices churned irregularly in active trading early this afternoon. Gains and losses of most key stocks went from fractions to about a point.

Coppers took losses following a London report that the British government may release stockpile copper to counter the shortage created by a strike in Rhodesia.

Aircrafts and oils were generally higher. Minus signs predominated among drugs, airlines, rails and mail order-retail issues.

Some disappointment prevailed over the failure of the market to reach a record high Thursday.

550 lb stock steers 23.75.

### LAST DAY

Saturday, Nov. 1, will be the last day on which Illinois citizens may apply for voting by absentee ballot, and Logan County Clerk Leonard McCann announces that his office on the second floor of the courthouse will remain open from 8 a. m. until 5 p. m. for the convenience of absentee voters.

McCann reports a total of 263 absentee and sick persons' ballots in his office Friday. This is only about half of the number of absentee voters for past elections. A total of 16,843 persons are registered to vote in Logan county on Nov. 4.

### Special Service Planned at Church

Services at Zion Lutheran church this Sunday will still follow the theme of the Reformation Festival which commemorates the posting of his Ninety-five Thesis by Martin Luther to the door of the Castle Church at Wittenberg Oct. 31, 1517. The sermon in the 8 o'clock hour of worship will follow the traditional Gospel and Epistle for the church year. However, in the 10:15 o'clock service the pastor, the Rev. Arthur E. Neitzel, will preach on the theme: "Here I Stand!"

At this later hour of worship the congregation will be favored with two-choral selections by the Lutheran Hour Chorus, which will be in Lincoln in connection with the Lutheran Reformation rally to be in the afternoon at the Lincoln High School at 2:30 o'clock.

The Sunday school hour will be at 9:10 a.m. and the lesson in all grade school departments will be "The Construction of the Tabernacle."

The regular bi-monthly business meeting of the congregation is scheduled for 7:30 o'clock Monday evening. Clothing for World Relief will still be accepted all day evening. Clothing for World Wednesday evening.

The Adult Membership group will meet with Pastor Elmer L. Schmelle Tuesday evening at 7:30 o'clock.

The Men's Club will meet Tuesday evening at 7:30 o'clock. Students from Concordia Seminary in Springfield will show slide pictures on the recent tour of the Concordia Chorus to Europe, including an appearance at the Brussels World's Fair.

The high school class in Religious Education will be Wednesday morning at 8 o'clock.

The Lutheran Men's Bible Club will begin the study of the Book of Daniel Thursday evening at 7:30 o'clock.

### Bramlett Hearing Set for Nov. 5

Hearing on motions in the criminal case of Robert Junior Bramlett, of Peoria, indicted by the September grand jury of Logan county circuit court for burglary and larceny, is scheduled for 1:30 p.m. Nov. 5 before Judge Frank S. Bevan.

Robert H. Jones, Peoria, attorney for the defendant, filed three motions with the court Thursday. They are a motion to quash the indictment, motion for a bill of particulars and a motion for inspection of physical evidence.

The motion for a bill of particulars asks that State's Attorney Darrell E. Klink specify in detail the time of commission of the alleged offense.

In the third motion, defendant asks inspection of glass window specimens, photographs, letters, statements and reports of police officers who investigated a breaking and entering at Allison & Co., Elkhart.
