Junior Good Citizens

Another Junior Good Citizen candidate who will attend the University of Illinois in the fall is Jane Yontz of San Jose. Jane plans to major in liberal arts the first two years.

Although not having fully decided, Jane says she has hopes of becoming a nurse or musical therapist. She states that guidance toward these fields has been given her by high school Youth Foundation (Danforth Foundation) leadership training camp in Michigan.

Jane will be a junior this summer in her third, two-week camping period. She notes the camp has helped give her the ambition of becoming a broad-minded Christian person as well as being successful in one of the above vocations.

Edited Yearbook

School activities have consumed much of her time. As an interviewer for the school newspaper, she was also editor of the yearbook, the Devil's Diary.

For the last two years, she has been treasurer of the school's Future Homemakers of America chapter.

She enjoys music activities the most and has participated in band and chorus, being more active in the former.

She plays baritone or French horn in the concert band and cornet in the dance band. Jane was a member of a cornet trio in a district and state contest this year.

Twirls To Title

When the band marches, Jane is the head majorette, and when the band played at ball games, she twirled her baton between games. The four years that she has twirled in high school contests, she has placed first in the district and state.

Jane believes the non-school activity most constructive and enjoyable is Methodist Youth Fellowship. She enjoys the activities of the group including rallies and parties. This year she was president.

Her hobbies include reading, writing letters, sewing, and listening to hi-fi. Her favorite type of reading is historical fiction and current best-selling novels.

The last four years Jane has been corresponding with a boy in Switzerland. She says that in this way she has been able to get a better understanding of the United States as well as Switzerland.

JANE YONTZ

summer. Her favorite kinds of music and mood and symphony, especially works conducted by Andre Kostelanetz, Leonard Bernstein, and Mantovani. One of her favorite albums is the Union and the Confederacy, two pictorial albums with Civil War music to accompany the pictures and articles.

As for home interests, Jane lists sewing as her specialty. She says she makes most of her own clothes and also some for her smaller sister. Jane's high school scholastic grade average is 4.9.

Waitress Hostess on Her Birthday

CHICAGO (U) — It was Mrs. Ann Kopis' birthday party but she gave the gifts. She was the hostess, but she was also the Cinderella.

Mrs. Kopis, who was 40 yesterday, is a waitress in a Northwest Side restaurant. She's been on the night shift for 13 years, serving the "night owls" and the early risers — policemen, trainmen, factory workers, revellers on their way home.

"You meet the nicest people on the night shift," Mrs. Kopis said. "They always have time for a word and a smile."

Boss Cooperates

She wanted to thank her regular customers, so she decided to

host a party on her birthday at the restaurant. Her boss, Spiro Pappas, provided her with a private dining room. She hired a waitress to help her.

On Saturday night Mrs. Kopis discarded her waitress uniform and put on a gay party gown. As her "regulars" arrived, singly and in clusters, she ushered them into the dining room. They had their choice of food and drinks — compliments of Mrs. Kopis. Pappas said the tab for the 40 guests would be about \$100.

"I've always wanted to pay them back," Mrs. Kopis said. "They've been wonderful. The party was wonderful."

PAY TV
There seems to be some concern about pay TV. Radio Lab has two ideas to solve this. But as a whole, we are 100% against it. If all FCC has not made a decision on it and further it is not quite sure what has the authority to authorize it without Congressional approval. However, it has authorized several tests to be in the larger cities. To primarily to check the feasibility of the systems and to get a better view on the public acceptance or rejection of the system. It was reported would be quite a number of years before it would be the smaller communities. A very costly project. Enough subscribers would be secured before a system as this could be operation to make the self sustaining. Of course, we always be free to slow down any trends pay TV may make. You can help by writing your comments to the program. Views on this matter. Our opinion at Radio Lab TV is that we'll have a wait before subscription vades our homes. In the meantime call Lab & TV, at 118 N. M Street, for the best of and repair on your Free Phone 18. ARE YOU THINKING DOES PAY TO SHOR LINCOLN!

Charged With Slaying Wife

LACON, Ill. — A former mental patient has been charged with murdering his wife by riddling her with at least 15 bullets.

Marshall County Sheriff Maurice Berg said the husband, Milton Nearing, 32, related shooting his wife Friday night following an argument over money. The body of Mrs. Betty Nearing, 33, of Pekin, was found on a couch in the farm home of her father-in-law, Clarence Nearing, near Lacon.

In her hand was a butcher knife. The body had been covered with a blanket.

Accused of Attack

Berg said Milton, a former patient at the Peoria State Hospital, maintained that his wife attacked him with a knife and 22 calibre rifle which she was slain. Nearing had a bullet wound in his right shoulder. He said his wife inflicted it before her disarmed her.

Then he killed her, Berg said the husband related. The sheriff said Nearing told of placing his wife's body on the couch and fixing the knife in her hand. Berg said Nearing then drove to a Lacon home where his parents were visiting and told his mother he had killed his wife.

Alan Shew, 13, r.r. 3, Lincoln, and Mary Mahan, 30, 207 Nugent Place, were companions in misery yesterday. Both were treated for cuts which resulted when they stepped on nails. They were dismissed after treatment at St. Clara's Hospital.

Seeking Custody

Mrs. Nalene Tibbs signed a petition for a writ of habeas corpus, filed Thursday afternoon in Circuit Court, asking for return of two daughters, five months and eight years old, by her husband, Dean Tibbs, Middletown.

Judge Frank S. Bevan issued an order for Tibbs to appear to show cause why the two daughters should not be returned. Tibbs, a construction worker, received a continuation until Friday afternoon when another case occupied the court.

Tibbs countered his wife's statement that he had refused to tell her where he was taking the children by asserting he had told the wife he was on his way to visit his father's place.

Ethel Barrymore Ends Theatrical

HOLLYWOOD, Calif. (AP)—Death came quietly Thursday to Ethel Barrymore and closed the curtain on an era ruled by a proud theatrical dynasty. She died in her sleep. She had been an invalid in her Beverly Hills apartment for more than a year with a heart ailment.

Miss Barrymore would have been 80 Aug. 15. She will be buried in Calvary Cemetery.

For more than six decades, her regal bearing and resonant voice had captivated audiences. And she had been a star of the theater, movies, radio, and television.

The sharp-witted actress, who originally wanted to be a pianist, was the last surviving member of a theatrical triumvirate that included her equally famous brothers John and Lionel. John died in 1942 and Lionel in 1954. "Could Do Best"

"We Barrymores become actors not because we wanted to go on the stage," she once explained, "but simply because it was the thing we could do best."

Lincoln Daily Courier
Courier Building
Lincoln, Illinois

Dear Sirs:

On behalf of the Logan County Chapter of the American Red Cross, the Playground and Recreation Department and the Lincoln Lakes company, may I take this opportunity to extend my sincere appreciation to all who assisted in any manner in making the 32nd annual Learn to Swim Week a success.

Without the cooperation of the Lincoln Daily Courier we could not have had the splendid response from the various communities. It was evident this year that many of our surrounding communities, having recently built their own facilities, are conducting their own local swim programs. However, it should be gratifying to those working in the Lincoln program to know that through their efforts, they enabled over 600 children to acquire and develop skill in the water plus enjoyment of recreational swimming.

I would also like to thank all those who helped with my surprise party. Although I cannot claim being the director for 20 years, I did begin with registration and as a teenage instructor like so many others. Upon receiving my water safety instructor's rating, life saving classes and additional swimming programs have kept me busy these past two decades. I have been repaid many times already by the proud smiles of the hundreds of children who received their coveted beginners' button.

Again, thanks to everyone for making this the most memorable Swim Week of my life.

Sincerely,
Maxine Werschey

Car Crashes Culvert; Two Youths Dead

Two Logan County youths are dead and a third is in critical condition as the result of a traffic accident on Fifth Street road a mile west of Lincoln at about 9 p. m. Friday.

Dennis Lee Adams, 19, rural Atlanta, apparently was killed instantly and a passenger, William L. Bradway, 17, r.r. 1, died at Lincoln Memorial Hospital at 10:33 p. m.

Bradway's brother, Larry, 18, also a passenger in the car, is in critical condition at Lincoln Memorial.

Adams apparently lost control of the car as he was headed east on the road. It went about 300 feet in a ditch, hit a concrete culvert and then traveled on about 50 feet.

Don Snyder, a fireman and his father, Guy, happened onto the accident scene and found the three youths pinned in the mangled car.

They managed to get all three out of the wreck. Adams suffered head injuries and a lacerated neck. William Bradway had a cut throat and internal injuries.

Larry Bradway suffered head injuries and cuts and bruises.

BEING INVESTIGATED

Police continued the investigation of the accident today because of scratch and paint marks on a fender of the car which is regis-

tered to Mrs. Rudella Vannoy of rural Atlanta.

They are considering the possibility that the car might have been sideswiped, causing the accident.

The deaths are the fifth and sixth caused by traffic accidents this year in the county.

BORN IN LINCOLN

William Bradway was born here July 2, 1941, a son of Clifford and Katherine Kuerr Bradway. His body is at Holland and Barry Funeral Home where friends may call Sunday afternoon and evening.

Services will be Monday at 1:30 p.m. at the funeral home with Dr. I. H. Beckholt officiating. Burial will be in Zion cemetery.

Survivors include his parents; a grandmother, Mrs. Cora Bradway, Clinton; five sisters, Blanche Hoelscher, Lincoln; Betty Lindig, Niantic; Bernadine Ackerson, Lawndale; Alice Burton, Monticello; and Barbara of Lincoln two brothers, Henry of New Holland and Larry of Lincoln. Queen Will See Racing

TORONTO (U) — Queen Elizabeth II breaks her arduous routine of formal ceremonies and receiving lines this week for two of her favorite diversions, horse racing and the theater.

Canada's top racing event, the Queen's Plate, will be run in Toronto Tuesday with the monarch and Prince Philip watching.

At nearby Stratford the Shakespearean Festival Company gives a command performance of "As You Like It" for the royal couple Thursday.

Elizabeth and her husband were due in Toronto this morning after a three-day cruise up the St. Lawrence River aboard the royal yacht Britannia.

The couple went ashore for two hours Sunday at Kingston and attended services at the United Church in the late afternoon. It was the first time the Queen had attended religious services other than Anglican on Canadian soil. Canada's United Church was formed in 1925 in a merger of Methodists, Presbyterians and Congregationalists.

Gov. Long to Get Divorce

WINNFIELD, La. (U) — Gov. K. Long, refreshed after a weekend at his beloved "Pea Patch Farm," heads across state to Covington today to place himself under a team of psychiatrists.

Junior Good Citizen

Connie Jones will attend the University of Illinois this Fall, but the Junior Good Citizen candidate from Williamsville isn't sure about her major.

"I don't think I have had enough variety of subjects to choose a field," says Connie, who ranked first in a graduating class of 28.

Sophomore, junior and senior years were filled with class activities for Connie. As a sophomore, she was a homecoming queen candidate and member of the Student Council.

As a junior she was in the school chorus, an activity begun in her second year of school when she also joined the GAA.

Served as President
