## Stock Trade Fluctuates

NEW YORK (U) — Wide gains and losses by scattered issues featured an irregular stock market today. Trading was active early this afternoon.

The more volatile stocks made moves of as much as half a dozen points while pivotal issues showed a pattern of losses and gains seldom exceeding a point.

The market was mixed from the start after the election day holiday. The ticker tape was late for a 12-minute spell as some big blocks were traded.

Orders Piled Up  
American Motors and the Studebaker - Packard issues were delayed about half an hour in opening due a pile up of buy orders. Both gained in out-of-town exchanges Tuesday.

Stock split proposals for Goodyear and Eagle - Pieper brought these issues wide gains. Electronics were irregularly lower in profit taking.

Such recent gainers as Motorola and Zenith dropped 3 points or so in profit taking.

## Claim Speed Mark

MOSCOW (U) — Pravda reported today that a Soviet test pilot flew a single engine jet plane 2,504 kilometers — 1,555.98 miles — an hour to break the official world's air speed record.

The newspaper said Lt. Col. Georgy Moslov, a veteran test pilot, set the mark while testing a delta - wing E56 jet "in the lower strata of the atmosphere" Oct. 31.

The previous recognized record, 2,330 kilometers — 1,436.25 miles — an hour, was set Oct. 6 by French test pilot Andre Turcat in a delta-wing Griffon II jet interceptor. The flight was made at 45,000 feet.

## STICKY

(By THE ASSOCIATED PRESS)

Rain spread across Illinois today. It combined with relatively warm temperatures to form sticky weather. Highs were in the range of the 50s in the north to the 70s in the south.

Cloudy, windy and colder conditions and an end of the rainfall were forecast for Thursday. Thursday's highs are expected to be in the 50s over most of the state.

## Hunt Resumed In L. Michigan

CHICAGO (AP) — A search will be resumed today in Lake Michigan, weather permitting, for a floating object seen near a spot where missing Federal Judge W. Lynn Parkinson last was seen Oct. 26.

A member of a police boat crew spotted the object late Thursday afternoon and said it appeared to be a body. It vanished before the vessel could reach it.

Other police and Coast Guard boats raced to the scene and a helicopter circled overhead, but darkness put a halt to the operation.

### Drowning Theorized

Police generally believe that Judge Parkinson, 57, a member of the U.S. Circuit Court of Appeals here, drowned. They theorize that he fell, jumped or was pushed into the lake while walking near his apartment on Lake Shore Drive.

The floating object was seen off the site of the court building, just a few blocks from the judge's apartment. Parkinson's family have said the judge often went for walks along the lake.

The last persons to have seen Judge Parkinson reported he seemed violently ill and that twice he fell down the stairs of an underpass on Lake Shore Drive. One of the men who assisted him to his feet quoted the judge as saying "Leave me alone. I want to go to the lake."

# Senator Humphrey Mostly on His Own in Demo Campaign

(Editor's note: Presidential politics is away to an unprecedented early start. Candidates whirl about the land. The Associated Press, has been looking over and analyzing this abundant crop. Here Arthur Edson, who in his 25 years on the Washington staff has kept a lively, questioning eye on politicians, makes his report on his travels with Sen. Hubert Humphrey.)

By ARTHUR EDSON  
LINCOLN, Neb. (AP) — Officially the temperatures was 13 degrees, but a fierce wind kicked up the snow, swirled it across the unprotected airport and made it seem far colder.

The hatless man in the salt and pepper overcoat, his high forehead a brilliant pink, ran full speed across the snow and ice toward the waiting plane.

This reporter, skittering alongside managed to ask: "It is always like this?"

Yes, said Sen. Hubert H. Humphrey (D-Minn.) As usual, he was the last man up the ramp, arriving seconds before the plane took off.

This scene coldly illustrates

what Humphrey is up against in his efforts to convince Democrats he is their logical choice for the presidential nomination at their Los Angeles convention next summer.

Since he's short on money, he has to run pretty much on his own.

"It takes a lot of money," Humphrey, 48, says. He reads with envy the stories about, say, Sen. John F. Kennedy (D-Mass.) traveling in a chartered plane, preceded by publicity men beating drums to herald his coming.

Humphrey has been traveling with one man, Lt. Gov. Karl Rolvaag of Minnesota, on regularly scheduled flights, which often means getting up early or leaving at inappropriate times.

Here's Humphrey's schedule for successive days last week:

He was in Iowa to talk to a state teachers' convention. His speech was in theory at least, nonpolitical, and he was paid for it. He was in North Dakota for a farmers union meeting. He was here in Lincoln for the Nebraska Democratic convention dinner.

Considering the weather, the crowds have been good. More than 2,000 heard him in Bismarck, N.D. Only the seats high up in the rafters remained unfilled. Here Saturday night a capacity dinner crowd of 468 donated \$7.50 each to the party to hear Humphrey talk.

Deals With Farm Problems  
In this area Humphrey dwells on the farm problem. But he also stresses this contention: That the Republican party has failed to develop forceful, imaginative leadership, that as a result of losing our advantage in our race with the Soviet Union, that Republicans are more interested in public relations than public service, and that if the Democrats are to win they must have a liberal who has zeal and drive, "a real scrapper."

He never says so, but the picture he paints of an ideal candidate looks astonishingly like Hubert H. Humphrey.

Locate Stolen Car in Lincoln

Three persons who abandoned a car stolen from a restaurant, Ind., east of Chicago Sunday, were spotted in a man-hunt Sunday in Springfield and Douglas County.

The three ran away from an approaching police car on route 66 by-pass at Springfield, arousing the suspicion of officers.

Later Carl E. Young, 25, Chicago, was captured. In the meantime the stolen car was found abandoned on a gravel road north of route 54 four miles east of Chestnut by Troopers Bob Werner and Bob Kline.

The search for the other two, a pair of high school boys, was continued and they were found at 9 p.m. near Tuscola.

## Steel Mills Work Boosts Stock Trade

NEW YORK (AP) — The stock market celebrated the resumption of work at the steel mills. Gains were trimmed in quiet trading early this afternoon.

Key stocks held advance of fractions to more than a point while more volatile issues were up 3 to 5 points.

The ticker tape was as much as 3 minutes behind transactions for a 37-minute period when the buying wave was at its height.

The Supreme Court's action over the weekend in sending the steelworkers back to the mills for an 80-day cool-off period brought a rush of buying to the steel, rails and machinery stocks.

Rails, which have been lagging behind industrials in recent sessions, made an especially strong recovery.

The advance took in most major sections of the list. Losses before a 37-minute period when the buying wave was at its height.

Corporate bonds advanced. U.S. government bonds eased.

## Habeas Corpus Sought Here

Samuel G. Perroni, acting as his own counsel, has filed a petition for a writ of habeas corpus in Circuit Clerk Earl Madigan's office against Joseph E. Ragen, warden of Illinois State Penitentiary at Joliet. Perroni was sentenced to three to five years for burglary and larceny of Frank's Food Fair Sept. 16, 1936.

Perroni alleges he was "deprived of his liberty without due process of law in violation of law by result of perjury, subornation of perjury and suppression of evidence." His allegations involve a station wagon which figured in his arrest.

A motion for a new trial was denied and an appeal to the state supreme court resulted in an opinion affirming the conviction and sentence.

The value of property taken from Frank's Food Fair was set at \$2,262.50. In the original trial, the jury deliberated about an hour in finding him guilty on three counts.

## To Call Back Cat Workers

PEORIA, Ill. (AP) — Caterpillar Tractor Co. said Monday it expects to recall in the next few weeks 11,500 workers laid off during the steel strike and resume normal production by Nov. 30.

W. Naumann, manager of Caterpillar's East Peoria plant, added that "it will be a minimum of three weeks before we can expect to receive sufficient steel to resume full production."

The company laid off workers Oct. 3 because of steel shortages, 8,000 of them in the East Peoria plant which normally employs 24,000. Other workers were laid off in Caterpillar plants in Joliet and Decatur and in San Leandro, Calif.

Naumann said it could not be determined at present how soon the company would have sufficient steel supplies to begin calling men back.

## "Pillow Talk" Showing at Lincoln

Bringing together for the first time two of the nation's most popular screen stars, Rock Hudson and Doris Day, was a great idea, as evidenced by their pairing in "Pillow Talk," the most hilarious romantic comedy to hit Lincoln in many, many a moon.

Taking its title from one of the songs sung by Miss Day — in a manner that is a cinch to land it high on the list of most popular tunes — the delightful new production, photographed in Cinema-Scope and in color, opened yesterday at the Lincoln Theatre.

The mirthful story, set in New York City, opens with Rock and Doris becoming bitter enemies without ever meeting — all because they share a telephone party line. The first time Rock ever sees Doris he learns that his best friend and wealthy show-backer, Tony Randall, is in love with her. Rock, who writes songs, decides that somehow, he must meet this lovely interior decorator.

### Brings Up Problem

This poses somewhat of a problem in view of the bitter things they've said to each other on the phone. But, Rock manages to

outrif after another. Her wardrobe for this picture is undoubtedly the most elaborate she has ever worn. And in addition to her terrific rendition of the film's title song, she really scores with her singing of "Possess Me."

The high spirit of the comedy is aided immeasurably by the outstanding performances of the always-delightful Tony Randall and Thelma Ritter.

## Find Driver Guilty

B. Assn. Thanks  
Lincoln, Ill.  
Nov. 16, 1936

& Mrs. John L. Nugent  
Lincoln Daily Courier  
coln, Ill.

In behalf of the Logan County Association, a big thank you for your recent publicity during the Chest X-ray Survey. Of course it is too early to know all our results but I am sure from the surveys that many people were helped.

May you enjoy the best of health in the future.

Sincerely,  
(Mrs.) Irma Potter, R.N.

region. Strong winds caused much drifting of snow on the ground in some northern areas.

## WARMING IN WEST

DENVER — Warmer air flooded over the Rockies today in the wake of a numbing blizzard that set early season records for sub-zero cold.

Montana, paralyzed by temperatures as low as 45 below Monday felt the first warming trend in a week. Overnight readings were 30 degrees and more warmer than 24 hours earlier.

Federal climatologist Richard A. Dightman cheered the Rocky Mountain region with a report from Helena, Mont., that "there are no more cold spells, other than the current one, in sight this week."

Tales of heroism and close brushes with death became known as the two-day blizzard ended.

Truck driver John McEvoy of Butte, Mont., crashed his twin-trailer truck away from a popular area when the brakes froze in 41-degree below zero weather. McEvoy's rig was about half way down Woodville Hill near Butte when the brake air lines froze.

McEvoy wheeled the truck and trailers, carrying 21 tons of bulk wheat, off a side road. One trailer overturned. McEvoy was badly shaken and burned by battery acid but declined hospitalization.

## Fractures An Ankle Playing Basketball

Larry Van Bibber, 16, of Lincoln, was treated for a broken ankle at Abraham Lincoln Memorial hospital Monday. He received the injury while playing basketball.

In other emergencies treated at Memorial, Richard Sprague, 23 of Lincoln, was treated for a mashed finger; Harold Brooks of Mason City suffered an eye injury; and Wendell Reinhardt of Waynesville suffered a back injury when he fell on ice.

Debra Kay Anderson, 17 months of Lincoln, was given emergency care for an injured left arm.

## Dies in Florida

Oscar Irwin Barnum of Lanark Village, Fla., died at 4:30 p.m., Sunday there. The body will be received by Holland and Barry Funeral home and arrangements are incomplete.

The deceased was born in Illinois Feb. 25, 1881, the son of T. T. and Elizabeth Jennings Barnum. He is survived by his wife, Florence; two sons, Robert of Elmhurst and Frank of Glen Ellyn; a sister, Mrs. Elsie Payne of Hartsburg and one grandson.

## CHARGE FILED HERE

An information charging Edwin L. Koster, 24 of Lincoln with contributing to the delinquency of a minor was filed in County Court here Monday by State Attorney Darrell E. Klink. The information alleges that Koster bought a quart of beer for a 16-year-old boy. City police signed the information.

## Yanks' Fund Up at \$119

The fund for the "Christmas Gifts for the Yanks Who Gave" has almost doubled since the last report with the latest figure at \$119, including a \$5 contribution from American Legion Auxiliary Unit 447, of Mt. Pulaski.

Donations for this fund will be used to remember every veteran in the hospital at Christmas-time with a gift. Each contribution of \$5 insures a gift to a veteran with value of at least \$7.50, according to A. J. Berryhill, chairman.

Latest contributors are Lincoln Savings and Loan Assn., Mr. and Mrs. John Messon, Mr. and Mrs. Aaron Sigler, Central Illinois Electric and Gas Co., Mr. and Mrs. William Trapp, Mr. and Mrs. Harry Hardin, Mrs. D. E. Rhoades, Lincoln Woman's Club, and the American Legion Auxiliary unit from Mt. Pulaski.

## Teachers Asked To Middletown

Aubrey J. Holmes, executive secretary of the Illinois Teacher's Retirement System, is scheduled to speak at Middletown High School Thursday at 7:30 p.m., with all teachers in the county invited to attend.

Donald W. Splain, superintendent of county schools, reports that Holmes will speak on the retirement system and specifically take up the survivor benefit phase, which was instituted at a recent session of the state legislature.

The program is being sponsored by the Logan County Education Assn.

## Cossacks Tour West Coast; Meet Success

The singing and dancing Don Cossack Chorus who will be presented by the Kiwanis Club in a benefit performance in Lincoln high school auditorium December 3, is currently enjoying a very successful tour of the West Coast.

Prior to concerts in Boise, Portland and San Francisco, the chorus appeared before an audience of more than 6000 in Vancouver, British Columbia.

In addition to the spectacular Caucasian dances which have been popularized by Ed Sullivan television shows, the program will include variety in the music field and will vary from the simple folk and religious songs to the stirring, march melodies. All members of the Don Cossack chorus are now American citizens.

Tickets may be purchased at Alvey's drug store, and Malerich and Sons or from any Lincoln Kiwanian.

## Business Activities

C.J. Callery manager of the Penney store, announced today a special Christmas payment for store associates. The payment will include all regular associates employed on or before Oct. 11 1959.

All those eligible will share in the payment except management staff members whose earnings are determined largely by the Company's long standing profit-sharing plan. The payment will be made on December 1.

The payment is in addition to regular company provisions for associates' benefits including sick benefits, hospital and surgical insurance plan, noncontributory group life insurance, Penco Profit-Sharing Retirement Plan, discounts on purchases and others.

## Jury Reverses Local Decisions

A Circuit court jury, after two hours of deliberation, reversed two decisions handed down in Police Magistrate Dan W. Handlin's court earlier concerning an auto accident.

Catherine Simms, found not guilty of negligence in the lower court, was found guilty of the charge by the circuit jury and was ordered to pay a judgement of \$199 to the plaintiff, William E. Dennison.

In another case consolidated with the first, William Dennison, previously found guilty in the lower court where a judgement of \$620.27 was entered against him, was found not guilty by the jury. Thomas Simms was the plaintiff.

John McCullough represented Dennison and Robert Wood was counsel for Mr. and Mrs. Simms.

## Getting Steel for Addition at Jr. High

Steel for the construction at the new Lincoln Junior High School addition is expected to be here by the end of next week, reports Harry F. Augspurger, superintendent of city schools.

It is in the process of being fabricated now, and upon arrival of the steel, work will resume on the addition. The steel strike held up construction.

A new cafeteria, being set up at the school, is expected to be put in operation the first of December.

## BACK TO MENARD

DECATUR, Ill. (U) — Glenn Sebens, 25, of Monticello, has been freed by a Macon County Circuit Court jury on charges of reckless homicide and manslaughter. County officials said, however, he would be returned to Menard prison as a parole violator. The charges were filed Sept. 12 after a highway collision 10 miles east of Decatur in which four members of the Gene Siders family of Argenta and Sebens' brother, Herman, also of Monticello, were killed.

# Stock Rally Keeps Going

NEW YORK (U) — The market continued to rally this afternoon on renewed confidence of a steel strike settlement. Key stocks were up from previous sessions to about a point in a late resumption of Wednesday's advance.

U.S. Steel wiped out a loss around a point and traded unchanged. Other major stocks were up from previous sessions to about a point in a late resumption of Wednesday's advance.

Rails, coppers, tobaccos, aircrafts and selected electricals also worked higher. Most were irregular. Oils declined. Ford was up slightly following confirmation of previous reports that the Ford Foundation would offer another 2 million shares of common. The stock showed a slight loss in routine dealings.

The Associated Press said that of 60 stocks at noon was up 1/2 cent to \$221.80 with the trials up \$1.40, the rails up 1/2 cent and the utilities down 1/2 cent.

Corporate bonds edged up. U.S. government bonds about unchanged.

## Laborer Kills Trio

TROY, Mo. — A young man, his teen-age wife and her sister were shot to death in a farm house near Troy Friday.

Alfred Mario (Pat) Corradi, 18, a laborer, told police he killed them, but said he didn't know why.

The dead are Leroy Albert Kappel, 25, employe of a St. Louis stove manufacturer; his wife, Mary Sue, 18; and her sister, Rosetta Willis, 17, East Prairie, Mo.

Corradi was charged with first-degree murder in each of the three slayings. Prosecutor Peter Grewach said this is the story he told:

### HIS "FRIENDS"

Corradi, who refers to the Kappels as friends, went to the farm house, taking hamburgers and french fries. He shot Kappel in the living room, then went to the kitchen and shot the women.

Then he drove to the St. Louis suburb of Jennings and told his girl friend what he had done. His girl friend's mother called police.

Grewach said the hamburgers and French fries had been only partly eaten, and shells of a .22 caliber rifle and .38 caliber revolver were "all over the place." He said the victims apparently were shot 25 to 30 times.

## Former Lance Corporal Dies

Charles V. Anderson of Greenville, rr 1, died at his home at 10 p.m., Friday. He was a veteran of World War One and was engaged in farming in Middletown community for the past 21 years.

The body is at Fricke Memorial home pending arrangements. Friends may call at the funeral home Sunday afternoon and evening.

The deceased was born in Sweden Jan. 5, 1875, the son of Andrew and Christine Berkman Anderson. He married Catherine Cecelia Foley in Vancouver, British Columbia, and she survives as do the following children:

Thomas of Chicago; Miss Isabel Anderson of St. Louis, Mo.; Miss Joan Anderson of Jacksonville; Mrs. Kathleen Johnson and Mrs. Hilda Asumendi of Greenville; Mrs. Doreen Dorgan of Middletown; and Mrs. Gladys Edwards and Mrs. Eva Lorenzi of Lincoln. There are eight grandchildren. Preceding him in death were a brother and a sister.

Mr. Anderson was a member of Irish Grove Presbyterian church; the Farm Bureau of Menard county and Odd Fellows lodge of Brookville, Kans.

He was a Lance Corporal with the Second Canadian Tunneling Co. and enlisted in 1914. He received the Military Cross of Canada for distinguished service in France.

Military rites at the grave will be conducted by American Legion Post 672 of Middletown.

## Turkeys Factor in Lower Livestock Prices This Week at Chicago Mart

CHICAGO — Turkeys entered the livestock situation at the Chicago Stock Yards this week, in that they lent a bearish effect to the wholesale meat trade and sent prices on most classes of livestock to lower levels. Once again the very uneven distribution of receipts was partially responsible for declining prices on both hogs and cattle.

Prime steers topped at \$28.75. However, only a limited number of loads sold above \$28.25. Most of the high choice and prime offerings sold from \$27.25 to \$28.25. Choice steers bulked mostly from \$25.50 to \$27, with only desirable finish yearling kinds reaching prices above \$26.50 at the close. Good and low choice steers sold mostly from \$24.75 to \$25.50. Lower grade kinds from \$19.50 to \$24.

Generally speaking, steers of all grades and weights with exception of lightweight yearlings sold 50 cents to \$1. lower this week.

### Market Reversed

The market reversed itself on slaughter helpers this week also. Most all of the advances of last week were erased and closing prices this week are back on a par with two weeks ago. Light helpers under 950 lbs. of the good and choice grade met with the broadest demand at steady to 50 cents lower rates. All other grades sold 50 to 75 cents lower.

Prime heifers topped at \$26.25. The bulk of the high choice and prime offerings cashed from \$25. to \$25. Choice grade heifers sold from \$23.50 to \$24.50.

Some No. 1 skins were in the trade at \$17.50 while slaughter ewes held fully steady from \$3. to a top of \$3. on handyweight young breeding ewes.

The 60th Annual International Livestock Show will be held from November 23rd through December 5th at the International Amphitheatre. Steer judging will be November 26th, 27th, and 28th. The feature entertainment attraction along with the International Horse Show will be 14 performances of the thrilling, spectacular Royal Navy Gun Teams from Britain.

## Gets Certificate

James H. Reed, secretary-manager of the Lincoln Chamber of Commerce, has been awarded the certificate of Graduation for the basic course at the Institute for Organization Management at Michigan State University.

The Institute is sponsored by the Chamber of Commerce of the United States.

The course is a concentrated training program in the management of associations and Chambers of Commerce. The program is aimed to equip the executive with the basic skills, techniques and methods of management work; and also to lead him to a better understanding of himself, his organization, and the social economy of which he is a part. Throughout the course, there is constant emphasis upon continued personal development.

## Cautious Attitude Golden 60s in

By ED MORSE

(AP Business News Writer)

NEW YORK — The "golden sixties" are just around the corner — but Wall Street's attitude to them is tinged with caution.

Time was when stock market analysts spoke in glowing terms of the opportunities for profit that lay in the '60s. They based it greatly on the fact that the rash of wartime marriages in 1941-45 babies — and these "babies" would start marrying and setting up homes of their own beginning in the '60s.

Have Many Wants

They'd want new houses, new cars, new refrigerators, new television sets — everything a young family wants — and the companies that make these things would enjoy a booming business. Their stocks, too, would soar on the nation's exchanges, it was said.

As the '60s approach, however, they are beclouded by —

An unresolved steel strike.

A possible railroad strike.

Strikes in other metalworking industries.

Stiffer interest rates.

Increasing foreign competition.

A drain of gold from the country.

Apparent Soviet superiority in missiles, and a continued cold war.

Called "Not So Good"

Veteran stock market analyst Edson Gould of Arthur Wiesenberger & Co., a distinctly upper-bracket investment house, looked at these elements and said: "As I see it, the outlook is not good. For the immediate future, the economy looks overdeveloped and vulnerable. I advise caution in the stock market — keep your funds no more than 65 per cent invested. Save 35 per cent for a reserve."

G. Keith Funston, president of the New York Stock Exchange,

## Orville Wooden Funeral Tuesday

## Egan Naming 'Daisy' Chief

AURORA, Ill. (AP) — Mayor Paul Egan says he will "come up with a daisy" of a replacement for Police Chief Donald Curran who was fired Monday by the Aurora City Council.

Egan said he had already fired the chief, so he voted against the dismissal in the 4-1 decision and introduced his own resolution to also fire the city attorney, who ruled the council could fire the chief.

The mayor's move was defeated and Egan turned his attention to naming a new chief.

"I've got to think it over," he said, "but I'll come up with a daisy, don't worry." He previously has named such persons as a minister and a woman press agent to the post.

Meanwhile, police captains on duty were considered by the Council to be in charge of law enforcement.

## News Notes

## Uneven Course for N.Y. Transactions

NEW YORK (AP) — Profits were taken in some of the higher-priced electronics early this afternoon as the stock market pursued an uneven course. Most key stocks showed narrow gains or losses, well within a point.

Recent sensational gainers among the "science" stocks were clipped for losses of 3 or 4 points as profits were taken. The lower priced issues in this group moved ahead moderately.

## 4-H Activity Projects Set

Logan County agricultural 4-H club leaders Monday night approved a number of extra activities for the 1959-60 4-H club year. The activities will be coordinated to give members added information and experience in 4-H club work.

The electricity project will be offered with a series of special schools for the horse and pony project, photography, a fitting and showing demonstration, expansion of the five steer beef project, entomology and a home grounds improvement.

The leaders received instructions in regard to filling out the new project record forms for livestock project, and received a financial report of the 4-H building, calf scramble and federation concession fund from Logan Brinkmeier.

## John J. Martin Funeral Friday

**Stock Market Trend Mixed**  
NEW YORK (H)—Tobacco stocks slumped and aircrafts were early in a mixed stock market early this afternoon. Trading was fairly active.  
Gains and losses of fractions to about a point prevailed among most key stocks except tobacco which were down from 1 to about 4 points.  
The tobacco were upset by the government's strongest statement to date linking smoking with lung cancer. American Tobacco was delayed in opening for an hour and 20 minutes under pressure of sell orders. The stock fell 3 1/2 to 10 1/2 on an initial trade of 4,300 shares, then paid a couple of points from the loss.  
Aircrafts, brokers said, were due for a technical rebound and were helped by sentiment that the nation must continue to keep up its guard in the cold war.  
The Big Three motors, coppers, airlines, rails and electrical equipment were mostly higher. Chemicals, oils and drugs were mixed.

## Heart Disease No. 1 Logan Killer

The nation's number one health enemy, heart and blood vessel diseases, claimed more lives in Logan County during the past year than all other causes of death combined.

Cardiovascular deaths here totaled 192 during the 12-month period ending Dec. 31, 1938, according to Dr. D.M. Barringer, chairman of the Logan County Heart Committee, which received the figures from the official records of the Illinois Department of Public Health. The total number of deaths from all causes was 294. The heart diseases thus accounted for 65 per cent of all deaths.

The next four leading causes of death in Logan County after the heart and blood vessel diseases, according to the official source, were: cancer, accidents, pneumonia and influenza, and diabetes.

"Notwithstanding the pre-eminence of the heart for the entire county as compiled by the National Bureau of Vital Statistics for 1938,"

the latest nationwide summary available. According to those figures, heart and blood vessel diseases caused more than 54 per cent of all deaths.

SPRINGFIELD, Ill. (AP) — An interparty feud smoldered in the upper ranks of the Illinois Republican Party today over the question of state administration backing of a U.S. Senate candi- date.

Gov. Stratton was reported to have told members of his Cabinet Wednesday that he will back Chi- cago attorney Samuel Witwer for the nomination next spring in a bid to upset Democrat Sen. Paul H. Douglas.

Sharply Criticized Even though there was no pub- lic announcement by Stratton, the reports drew sharp criticism Thursday from another GOP pow- er, Secretary of State Charles Carpenter.

Stratton, Carpenter, Lt. Gov. John Chapman and Atty. Gen. Grenville Beardsley, conferred about the April 12 primary elec- tion on Tuesday. Carpenter said the group agreed there would be no announcements on choices of Senate candidate until they had another huddle.

If the report of Stratton backing Witwer is true, Carpenter told newsmen Thursday, "It flatly breaks the promise he gave us Tuesday that he would make no public announcement of a senatori- al candidate until we conferred again."

Opposes Scramble Stratton also was reported to have told the Tuesday meeting he does not want anything like the 10-man scramble for the Senate nomination in 1954.

This point, too, drew criticism from Carpenter.

"I favor an open primary," he told newsmen at his East Moline home. He added that the primary could be "real wide open."

Carpenter, set to announce his candidacy for a third term Dec. 16, said he himself might have op- position. But he commented that he can handle himself in any campaign.

Stratton, head Republican in the state, is expected to announce Dec. 17 that he will bid for a third term.

His First "Run" Witwer is expected to announce his candidacy for the senatorial nomination next week. He has never run for public office but be- came widely known as chairman of the committee that led to adop- tion of the Gateway Amendment to the Illinois Constitution in 1950 and the resultant legislative reap- portionment in 1954.

A Lake Forest candy manufac- turer, William Rentschler, 34, al- ready has announced he will go after the GOP Senate nomination.

Reds' Friend Heads Cuban Bank

HAVANA (AP) — Fidel Castro's revolutionary regime swung fur- ther to the left today with Maj. Ernesto "Che" Guevara, Red- leaning critic of the United States, taking over as head of the Cuban National Bank.

Many businessmen expressed shock at the appointment of the 31-year-old Argentine-born soldier of fortune to a job that puts him in a position to dictate Cuba's for- eign trade and possibly to over- see the nationalization of private banks.

The National Bank grants im- port-export permits, allots for- eign exchange to finance im- ports and collects foreign ex- change produced by exports.

Guevara is a staunch advocate of closer economic ties with Eu- rope, especially the Communist bloc, and less dependence on trade with the United States, hitherto the mainstay of the Cu- ban economy.

## Rural Zoning Meeting to Be Dec. 1

Logan county may soon be involved in a struggle for growth and expansion if people, business, and industry press into rural areas. This was the opinion of a county zoning steering committee appointed by the Logan County Extension Council and which reported Nov. 25 at the Farm Bureau building in Lincoln.

Advantages of county zoning are protection of real estate values, conserving water and forest

resources, control of undesirable developments, and planned expansion in a community area, it was pointed out.

Sixteen counties in Illinois ready have effective zoning ordinances. Boone, Cook, DeKalb, DuPage, Kane, Kendall, Lake, Macon, McHenry, Peoria, Rock Island, Warren, Whiteside, and Winnebago. Counties in the process of obtaining zoning ordinances are Hamilton, Moultrie, Piatt, and Kankakee.

The committee feels the county zoning ordinance should be a guide to future development and not a restriction on private uses of land and property. Additional information meeting planned for Dec. 17, when Norman Kransz, professor of agriculture law from the University of Illinois, will present facts on causes and effects of zoning.

## Proclamation

Mayor Edward L. Spellman today proclaimed December as Traffic Safety Month in Lincoln and called upon motorists and pedestrians to be especially cautious while walking and driving during the month.

The Mayor's proclamation was in support of Gov. William G. Stratton's December traffic safety campaign called "Project Salad" — standing for the initials in Save-A-Life-A-Day.

The goal of the statewide program is to save at least one life a day from traffic accidents. If Project Salad is successful, there will be at least 31 fewer traffic deaths next month than in December a year ago when 208 persons died in Illinois traffic accidents.

In his proclamation, Mayor Spellman said experience has shown more persons die in traffic accidents in December than in any other month.

He called upon both motorists and pedestrians to "proceed with extreme caution during the dangerous month, which is made even more hazardous by the year-end holidays."

The mayor said motorists should be particularly watchful for pedestrians who are Christmas shopping and who may have their vision obstructed with large packages.

Pedestrians, he said, should cross only at intersections and should step off the curb only after the traffic light has turned
