William Randl and Wallace Musick were recipients of the coveted Jaycee-of-the-Month awards at the Wednesday night meeting of the Lincoln Jaycees at the city hall.

Randl received the honor for his work as general chairman of the first Jaycee Bosses' Night banquet. This was the second time for him to be selected Jaycee-of-the-Month; the first time any Lincoln Jaycee has been thus honored. By chairmanship the Outstanding Young Farmer of Logan County contest, Musick earned his award. Both events were held in conjunction with Jaycee Week in January.

Although called "Jaycee-of-the-Month", the local chapter does not give the award each month;

## WOULD HIKE LIMIT

WASHINGTON (U.S.) — The Senate has passed and sent to President Kennedy a bill to temporarily boost the national debt limit to \$300 billion, an increase of \$2 billion. The bill cleared the Senate Thursday by voice vote. The House had stamped its approval on the measure Feb. 20. Kennedy had asked for the hike and said

Richard Martin, (above) is in Lincoln as new manager of the Spurgeon company store. For the last six and a half years he has been manager of the Spurgeon store at Macomb.

Martin will be remembered in Lincoln as assistant manager of the local store 13 years ago.

A member of the Lutheran church and the Elks lodge, he has a wife, Ruth, and a son and daughter, Eric and Ann. At present his family remains in Macomb while he arranges housing here. (Courier photo-Mulvihill)

he will ask Congress for another \$3 billion increase in the temporary ceiling by June 30.

## March Calendar Full Of Significant Dates

March — the month the lion and the lamb jockey for positions — carries its share of events. Things one might never know if he didn't look at the calendar.

March 2 is the birthday of the U.S. Bureau of Education, founded in 1867. A Springfield lawyer was sworn in as President of the United States March 3, 1861. Florida joined the Union.

National Peanut Week is celebrated March 4-10. On March 4, 1789, the first U.S. Congress met in New York. March 5 marks the 1770 Boston Massacre. The sixth is Shrove Tuesday and starts Mardi Gras time in New Orleans. Telephone Patented

March 7 in 1861 was made noteworthy by Mr. Bell obtaining a patent on his telephone. The ninth is a World Day of Prayer sponsored by the National Council of Churches of Christ. Also on the ninth, in 1862, the Monitor and the Merrimack engaged in battle. March 10 the Salvation Army was established in America in 1880.

March 11 begins National Want Ad Week and National Girl Scout Week. The latter are celebrating their 49th anniversary. On the eleventh, in 1861, the constitution of the Confederate States was adopted. March 14 in 1794 Eli Whitney was granted a patent for his cotton gin. Andrew Jackson was born March 15, 1767. March 15 also marks the start of Easter Seal Month which runs through April 22.

West Point was established in 1802 on March 16 and in 1751 James Madison was born on that day.

Spring Arrives 20th

And on March 17 the Irish have their day. March 19 opens National Retail Bakers Week and National Rice Week. The day so many have been waiting for — March 20th. SPRING BEGINS!

In 1933 on the 20th the Senate approved the 3.2 beer bill. March 24, 1838, Rhode Island was purchased from the Indians for a payment of beads. The 25th is Maryland Day, a state holiday for the people of that state.

Japan withdrew from the League of Nations March 27, 1933.

March 29 is the birthday of John Tyler, 10th president of the United States, born in 1790. March 30 kicks off National Jewish Youth Week. Alaska was purchased from Russia for \$7,200,000 in 1867.

Commodore Perry negotiated the first treaty between the United States and Japan on March 31, 1854. The end of the month signals that only 22 days remain until Easter.

The flower for the third month is the daffodil and the birthstone, the bloodstone or aquamarine.

## PLAYED BY NIXON

BERKELEY, Calif. (U.S.) — For-

mer Vice President Richard Nixon, a candidate for governor of California, is making strongest attack against the Birch Society and its leader, Art Welch. At a news conference Thursday to quit the ultra-servative organization he said Welch won't "Welch," he "is the Birch Society."

## DRY IN FLORIDA

MIAMI, Fla. (U.S.) — The past months have been the driest since the U. S. Weather bureau began keeping records. Miami International Airport 1939. The Weather Bureau only 11.19 inches of rainfall recorded during the six-period ended Feb. 28, compared with the normal average of 15.5 inches. The previous low of 10.5 inches was recorded during the same months of 1951-1952.

## Two Lincoln Churches Visited by Prowlers

Two Sunday evening break-ins at Lincoln churches are being investigated by city police. Intruders gained admittance at First Methodist church, 302 Broadway st., by smashing a window in an exit door along the alley side of the church. Desks and files were searched by the thieves, but according to the Rev. H. Sheldon Pattison, pastor, nothing was taken. He set the time of entry as after 10:30 p.m.

A basement window at the First Presbyterian church, 301 Pekin st., was forced and thieves made an attempt to force the church safe.

The Rev. John B. Burns, pastor, said the dial knob of the safe was removed but entry was not made.

# Stock Market Levels Lower

NEW YORK 4th — Tobacco stocks were soft as the stock market moved lower in moderate trading early this afternoon.

The Associated Press average of 80 stocks fell .70 to 238.80 at noon with industrials down 1.30, rails down .10 and utilities down .30.

Losses of most key stocks were fractional. A few went to a point or more.

Tobacco continued their retreat of late last week. Steels and chemicals were mostly lower.

Rails were unchanged to easy. Utilities turned a bit soft.

Liggett & Myers, which didn't lose as much as some other tobacco shares Friday, slipped more than 3 points. Lorillard was off about a point. American Tobacco and Reynolds Tobacco dropped fractions.

U.S. Steel, Bethlehem and Jones & Laughlin were among fractional losers.

## Urbana Youths Face Burglary Charges

Petitions charging four Urbana youths with burglary in connection with a series of crimes and acts of vandalism over a four-county area, including four house burglaries in the city of Lincoln on the weekend of Feb. 23-24, were reportedly filed in Champaign county court this week. Three of the four teenagers were implicated in the Lincoln burglaries. Two of the youths are being held in county jail and two others in the Champaign County Youth home.

Held warrants on the three implicated in the Lincoln robberies have been left with Champaign county authorities by the Logan county sheriff's office. Rod Bucher, assistant Logan county state's attorney, said Wednesday that he has been in contact with authorities in Champaign county, but as yet has no definite word on their procedure in the case.

Two of the youths were captured last Friday with a stolen car from Decatur and later named two other boys as accomplices in the series of robberies which date back to December, 1961, and include seven in Urbana, three in Champaign, one in Murock in addition to the four in Lincoln.

Total amount of the burglaries is estimated to reach the several thousand dollar mark (nearly \$1000 was taken in Lincoln) with the vandalism total reaching

## Fractures Arm

Edith Trinkle of Flora was treated Tuesday at Abraham Lincoln Memorial hospital for a fracture of the right arm, received when she fell downtown. Dorothy Kline, rr Beason, received care for a cut on the left hand sustained on a piece of broken glass.

Henry Boehm, 223 Hennepin st., was treated for injuries to his hand after he hit it with a hammer.

## Sickened by Fumes

Lincoln fire department rescuer squad Tuesday answered a call at the Orin J. Graham residence, 119 Denver ave. Members of the family became ill from an apparently de-

fective new gas furnace. Fireman gave aid and later the family went to Abraham Lincoln Memorial hospital for examination. Fire department officials will examine the heating plant of the home Wednesday.

## STUDENT INJURED

Mark Berrier, 361 Clinton and a student at Lincoln Christian college, was treated for minor injuries after his auto overturned on U.S. Rte. 66 south of Lincoln Tuesday. State Police investigated the accident.

The first man to fall in the Battle of Hastings was a Norman minstrel knight. He led the first charge chanting "the Song of Roland."

## Lent Begins With Ashes On Forehead

NEW YORK (AP) — "Remember, man, that thou art dust, and unto dust thou shalt return."

With the pronouncement of these Biblical words, ashes in the form of a cross were being imposed today on the foreheads of millions of Christians around the world.

It is "Ash Wednesday," the beginning of Lent, a 40-day interval of penitence before Easter. "The midnight tolling of bells marked the beginning of the period in some areas, such as Austria and southern Germany. There and elsewhere, worshippers were called to services this morning, with other special devotions scheduled throughout the next six weeks.

For church people, it is a time of self-denial and spiritual disciplining to get rid of habits—whether of work or pleasure—that distract from making God the prime object of love and service.

Roman Catholics and some Protestants observe rules of fasting for the period, except Sundays. Generally, this means taking only one full meal a day.

The other two combined should be less than the main meal.

Aside from such formal features, the churches put the main emphasis on personal reform to lighten spiritual sensitivity and clear away obstacles to devotion to God.

The 40 days is in token of the 40 days and nights of fasting by Christ before he began his ministry.

Mainly by Catholics: "The ceremony of ashes is used mainly by Roman Catholics. Protestants discarded the practice at the time of the 16th century reformation. In recent years some have resumed it.

"It is an ancient custom, going back to the fourth century. Ashes were a symbol of penitence in Judaism. Christianity carried on the tradition.

"Originally it was used only for 'public sinners'—and was a far harsher affair than now.

## Mrs. Gosnell of San Jose Dies

SAN JOSE — Mrs. Ida Gosnell, 80, died at 8 a.m. Tuesday in Kentucky. Her funeral and burial will be in Duff, Ky.

Surviving are her husband, a stepson, Frank, San Jose; and a number of nieces and nephews.

She was a member of Saint Methodist church in San Jose.

## NUDGES CONGRESS:

## U.S. Economy Healthier Than Some Harbingers of Gloom, Kennedy Declares

WASHINGTON (AP)—President Kennedy says the U. S. economy is healthier than some of its gloomy skeptics. He's also given Congress a sharp and obvious nudge to pass legislation he believes will keep it that way.

Kennedy, at a news conference Wednesday, announced a personal move to return steel industry negotiators to the bargaining table in an effort to eliminate one threat to economic recovery — a steel strike.

He made public a message to company executives and David J. McDonald, president of the United Steelworkers Union, urging them to renew contract talks by next Wednesday. Both sides agreed to do so.

Viewing the whole economy, Kennedy observed that unemployment in February reached its lowest level in 19 months, profits are at a record high, prices are fairly stable and goods are moving.

"Therefore," he said "I think that this economy has more vitality in it than some of its premature mourners."

Later the President said the test for Congress is not the pace at which it acts but the action it takes. Specifically, he mentioned medical care for the aged and "those pieces of legislation which will help us fight the next economic downturn." He has recommended such measures as standby authority to invest federal money in public works and make automatic tax cuts if an economic downturn threatens. He also wants tax credit for industrial investment and improvements in unemployment compensation.

The forthcoming Geneva disarmament meeting, nuclear testing and relations with the Soviet Union occupied much of the conference, Kennedy's seventh in eight weeks.

He disclosed he had advanced concrete proposals to Soviet Premier Khrushchev for cooperation in outer space—reportedly on such projects as communications and weather forecasting satellites.

He said it would be perfectly proper to discuss Berlin and Southeast Asian danger spots at Geneva because these matters directly influence the progress of armaments.

While he could make pessimistic predictions about the Geneva Assembly, Kennedy said, everyone must hope for an agreement that eases worldwide tensions.

To an audience of 385 newsmen and speculators, Kennedy had this to say on other topics:

**Summit** — He set off a roar of laughter with this response, to indicate he hasn't changed po-

sition, when told commentators are saying he is about to eat his words against attending a summit conference without progress on a lower diplomatic rung:

"Well, I am going to have a dinner for all of the people who have written it and we will see who eats what."

Kennedy said he would attend if some agreements already had been reached, or to avert war or if faced with an extremely dangerous situation. He implied hope that his conditions may be met this spring, but said summits are more likely to disappoint than help without some prior meeting of minds.

**Trade** — Hailing a 25-nation agreement to reduce tariffs, Kennedy said further trade expansion depends upon congressional enactment of his program to widen the government's authority to negotiate reciprocal tariff cuts.

**B70** — It would be questionable, he said, to invest big sums right now in development of this high altitude bomber which would not be ready until 1970, particularly when much of the necessary equipment is not yet available.

**Soviet Union** — In connection with Khrushchev's orders this week for new measures to increase farm output, Kennedy said there has been no talk of sending surplus food to the Soviets and added he's glad U.S. agricultural difficulties — in contrast — are caused by overproduction.

**Nuclear** — Creation of nuclear-free zones around the world probably will be discussed at Geneva, he said. But he wondered if they would make much difference when missiles can deliver bombs to targets 5,000 miles away.

## 31 Dead in Storms on U.S. Coast

(By Associated Press)

Coastal areas of seven mid-Atlantic states, many already in ruins from a record winter storm, felt again Wednesday the hammer blows of extra-high tides turned into mountainous waves by violent winds.

At least 31 persons were reported dead along the battered and flooded shoreline from North Carolina to New York. New England escaped major damage as the storm's fury veered out to sea.

Some more high tides and gale force winds were expected for today but, it was hoped nothing to approach those of the past two days.

"It looks like a lumber yard from here (Ocean City, Md. to Rehoboth Beach, Del.)," said a state police commander of Maryland's Eastern Shore. Maryland Gov. J. Millard Tawes has wired President Kennedy asking that the region be declared a disaster area. Most of the 1,000 residents of the resort of Ocean City fled their shattered homes.

At Bowers, Del., five children from one family were swept to their deaths by flood waters, and two persons still were missing.

Delaware Gov. Elbert N. Carvel estimated damage at \$50 million and he, too, has asked Kennedy to declare his state's coastline a disaster area.

"I don't think the hurricane of 1954 was anything like this," said Gov. Carvel.

Virginia had seven known storm deaths, with damage estimates placed in the many millions.

In all the stricken areas, electric, gas and telephone services were knocked out.

At Wallops Island, off the Virginia coast, high waters caused severe damage to electronic equipment of a National Aeronautics and Space Administration rocket launching station. Damage estimates in the Hampton Roads area are running into the millions.

Virginia Beach officials declared a state of emergency and called in the National Guard to prevent looting. Local police and firemen, the Navy, National Guard and Civil Defense personnel were operating in many of the stricken areas, as was the Red Cross. Helicopters hovered over the worst-hit sections.

About 250 miles east of Portsmouth, Va., the 215-foot tanker A. H. Dumont had her heavy deck cargo swept into the raging seas.

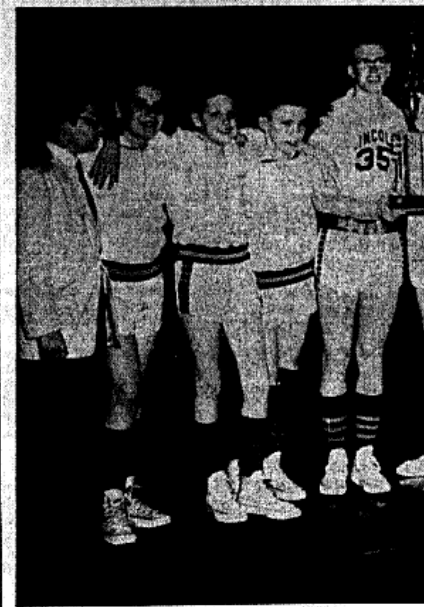

In the same area a Coast Guard vessel was proceeding to aid a stricken Chinese ship, the Chun Lee.

Also in the Atlantic, a Coast Guard cutter stood by the Chesapeake Lightship, stationed 33 miles east of Norfolk.

The lightship, with a crew of about 16, had drifted some 25 miles from her position.

The craft earlier had reported her forward bulkhead had buckled and her chance of surviving was in doubt.

Other Virginia areas hit by high tides were Willoughby and Ocean View, both fronting Chesapeake Bay. Among the evacuees was a family of seven children.

## U.S. in on Agreement On Tariff

WASHINGTON (AP) — The United States and 24 other nations have agreed to chop about 20 per cent from tariffs on a wide range of items — from automobiles to Scotch whisky. And U. S. officials said America came out ahead 4 to 3 in the deal.

First reaction to the agreement—which President Kennedy termed highly advantageous to the United States—was favorable.

U. S. automakers generally viewed it as a step in the right direction and a spokesman for the European Common Market said "This is a first step toward world liberalization and we must rejoice about it."

Most of the reciprocal tariff cuts will involve the United States and Western Europe's industrial countries. While the reduction on most items will be 20 per cent, in a few cases they range up to 26 per cent.

## NEW CARS INCLUDED

On the list of major items affected are new automobiles, chemicals, drugs, electrical and industrial machinery, textiles, Scotch whisky, canned fruits, some steel products and glassware.

The United States claims it came out ahead 4 to 3 by figuring this way: The U.S. tariff reductions will involve \$1.2 billion of imports from the other 24 nations, while they have agreed to cut levies on \$1.6 billion of U.S. goods. The figures were based on world trade in 1960.

President Kennedy told Congress Wednesday, in announcing the agreement, that in order to forestall a threatened collapse in negotiations, he agreed last September to lowering certain U.S. tariffs below the levels the Tariff Commission had found necessary for the protection of American producers.

## "WOULD HAVE LOST"

If he hadn't, Kennedy said, the United States would have lost substantial trade in the long run and would have thrown a bar in the way to greater economic cooperation with Western Europe.

The White House said that in addition to gaining greater concessions than it granted, the United States received a promise from the six-nation Common Market to resume talks soon on a new

## Chestnut Man Killed as Auto Goes Out of Control

William E. Hein, 35, Chestnut, was injured fatally at 4:45 a.m. Thursday when the car he was driving apparently missed a curve on the blacktop road four miles north of Harrisburg and overturned.

A passing motorist, Charles Durbin of Decatur, discovered the tragedy some 15 minutes later. Hein was taken to Macon County hospital where he was pronounced dead on arrival.

Macon county Deputies Harry Miller and Harvey Secherbarth, who investigated, reported the Hein auto was traveling north on the road returning home from his work with a Decatur Electrical firm, when the car apparently went out of control and crossed two ditches before finally coming to rest upside down some 1000 feet into a field. They reported the man was apparently killed instantly.

The body was taken to Schahl Funeral Home in Mt. Pulaski. Military services for the World War II veteran will be Saturday at 2 p.m. in the Chestnut Meth-

odist church. The Rev. Roy Trueblood will officiate and interment will be in Laenna cemetery. The body will lie in state at the church from 12 noon Saturday until the hour of services.

Born May 29, 1926 in Springfield, the son of Erich and Louise Swain Hein, the deceased married the former June Marshall of Chestnut Aug. 11, 1946.

Survivors include the parents, his widow, two children, Cathy Sue and Michael, at home; two brothers, John with the U.S. Army in Louisiana and Erich Jr., of Peoria; three sisters, Mrs. Earl Maxheimer, Mrs. Richard Froeschauer and Mrs. William Dittus, all of Mt. Pulaski.

Hein was a member of the Chestnut - Beason American Legion post, scout master of Troop 125 at Chestnut, a member of the Masonic lodge and Shrine of Madison, Wis., and the Chestnut Methodist church.

Friends may visit at the funeral home Friday afternoon and evening.

## James Peters Funeral Friday At Mason City

MASON CITY—James Peters, 84, died at 2:20 a.m. Wednesday, in the home of his sister, Mrs. George Becker, of Mason City. Funeral services will be held at 2:30 p.m. Friday in the Conrad Funeral Home, with the Rev. O. E. Bennett officiating. Burial will be in Mason City cemetery. Visitation began at 2 p.m. Thursday.

He was born Oct. 9, 1877, at Mason City, a son of John and Ester Stranghan Peters. He married Grace La Forge Oct. 1,

1913, at Bloomington. She died in August, 1954.

Surviving are a son, John David, and a daughter, Mrs. Cecil Potters, both of Mason City; two brothers, Andrew, Lincoln; John, Brooklyn, N.Y.; four sisters, Mrs. Francis Kendrick, Alexandria, Va.; Mrs. Helen Davidson, Keyton, Ohio; Mrs. Annie Davidson, Oberlin, Ohio; Mrs. Becker, and one grandchild. Three sisters, a brother, a son and a daughter preceded him in death.

Milwaukee has a working agreement with Toronto. Ironically, Toronto is managed by Charlie Dressen, who was dropped as Braves' manager last fall.

## Name Contact Club Committee Members

Members of the 1962 Contact club of the Lincoln Chamber of Commerce were announced Thursday by Chairman Tom Hale. They are: Ken Fuller, Leonard McCann, Merle Dixon, James Mahan, Fred Hoppin, D. D. Welch, Thomas Comstock, Loren Drasar, H. O. Phallin, Wendell Newhouse, Jim Freehill, Jack Bushell, Bud Allen and Wayne Shely.

The Contact Club was organized last year to call on members of the Chamber to keep them informed on Chamber activities and to acquaint non-members with the Chamber Program and projects. Sixty-two new members became associated with the Chamber last year, many of them as a result of the club's work.

First meeting of the Contact club will be at the Tropics at 7:30 a.m. Thursday, March 15.

## Court Elected by Students at L.C.

Students at Lincoln College have been voting for two days to select a court from the candidates nominated by the sophomore class. The polls closed at 3:00 p.m. Wednesday and the following winners have been announced.

They are: Karen Bendix, Des Plaines; Lucille Cliver, Niagara Falls, New York; Jeanne Loe-wenau, Downers Grove; Pat Olbrich, Glenview; Sally Ruby, Brookfield, Wisconsin; Tom Flynn, Winchester; Hong Tatt Foo, Penang, Malaya; Dennis Kimerly, Kankakee; Mike Lump, Lincoln; and George Matson, Naperville.

A king and queen from among the members of this court will be crowned at the homecoming dance in the college gymnasium March 24.

One of the ballerinas in the Ballet Espagnol lost "something" during one of the fast-moving dances on the March 4 program here. It was possibly a piece of flounce from her dancing costume. Whatever it was, she dashed out of line to swiftly kick the offending item out of sight backstage that probably many did not even notice.

Perhaps the most intriguing step by the Ballet performers was that with which the female dancers flicked a ankle to put the train on the costume "in its place."

"Let's sing the Dooology and go home," said a member at a board meeting of a local group March 4 — his way of moving for adjournment.

It was a "relief" to many to learn recent Lincoln house breaks and robberies were done by youths other than Lincoln boys. Some had felt the robbers were "local," yet in some ways there were indications professionals had had a hand in the crimes. It is to be hoped no Lincoln lads take this "hard way" to learn crime does not pay — using the Urbana lads as a vivid example.

Crocuses are blooming on the Logan county courthouse lawn. The first ones to show their colors are yellow and they are from the more than 5,000 bulbs planted around the county building last Fall. Yellow, among most all flowers, is the first to blossom. —Why? Who knows.

Junior Chamber of Commerce aiming for its home show of April 13-15 to be by far its most ambitious project to date. And if it is a success, to make the show an annual affair.

There seems to be some confusion over recent city council action in declaring the new Logan County Bank a depository. Council members report many residents are under the impression all of the city's money will go into that bank. The resolution means that only a portion of the city's money (actually only about 10 per cent at the present time) will be deposited in that bank with the remainder to remain in the First National and Lincoln State Bank.

Sonic booms such as startled Lincoln March 5, are a sound that will be heard more and more often as our nation progresses farther into the age of supersonic flight. So says the U. S. Air Force. The military points out it is "unavoidable and something we cannot live without."

Such booms are defined as caused by shock waves which build up around an aircraft flying at supersonic speeds — normally about 762 miles an hour at sea level. The waves form a cone extending back from the nose of the plane much like waves created by a boat speeding over water. The sound waves become audible when they slap against the earth's surface. A thunderclap creates the same kind of pressure.

## Business Activities

Walter F. Clevenger of Builders Supply Co. in Lincoln recently attended a two day "Window Workshop" at the Andersen Corporation, manufacturers of Andersen WINDOW WALLS at Bayport, Minn.

The workshop included a trip through the plant, which is the largest in the world devoted entirely to the manufacture of window units. The next day and a half was spent learning how windows affect the livability of a home.

"After attending this school at the Andersen Corporation," Clevenger said, "I really feel that I am able to give my customers better advice on the proper planning and selection of window units."

Two salesmen with Langellier Motor Co., Lincoln, will be presented Ford Motor company's 300-500 club award at a banquet in Moline's Holiday Inn, Saturday, March 10, honoring high-ranking Ford dealership car and truck salesmen of 1961 in the Davenport Ford sales district. The two are: Walter Morrow and Hugo Faul.

ringbearer.

The bride came down the white carpeted aisle on the arm of her uncle, A. Z. Berger of Atlanta. She chose a floor length gown of white silk taffeta, which featured a sabbina neckline of re-embroidered Alencon lace, the same lace was used in the fitted bodice and tapered sleeves. The full bouffant skirt with medallions of the same lace, extended into a chapel train. A miniature crown of rhinestone and seed pearls held her silk illusion fingertip veil and she carried a white orchid arrangement with lily of the valley, ribbon streamers and stephanotis tied in lover's knots. Her only jewelry was a pearl necklace, a gift of the bridegroom.

Donald Lascody of Springfield, served as best man. Groomsmen were Tom Ray and Jim Cheffy of Springfield. Ushers were Donald Baker, Springfield; Floyd Harris, Lincoln and Mike Britton, Atlanta, brother of the bride.

For her daughter's wedding, Mrs. Britton selected a blue silk brocade dress with white accessories. Pink and white carnations made up her corsage. Mrs. Saner mother of the bridegroom, wore a blue silk dress with draped front, blue hat and matching accessories; her corsage was pin and white carnations.

The reception was held at Lincoln Pavilion Park in Springfield.

Upon their return from a trip they reside at 500 South Douglas Street, Springfield.

The bride is a graduate of Atlanta high school and a beautician school in Springfield. She is employed in that city. The bridegroom graduated from Lincoln high school, attended Lincoln Junior college and graduated from Springfield Junior College. He is employed in Springfield.

## Recreation Hall Considered By Committee at Armington

ARMINGTON—The Armington homecoming committee met at the Legion Hall. Besides the committee member, about 35 interested residents of the area attended to participate in the discussion of the use of the fund which had been originally designated for a swimming pool. Some feel that perhaps a recreation hall would be of more benefit in that it would be a year-round activity.

A lengthy discussion of the proposed park district also was held. This would be affiliated with the Tri-County Park District, which would be supported through taxation. A committee was appointed to investigate this proposal with the following as members: Don Eckhardt, president of the village board; the Rev. Jack Ross, minister of the Armington Christian Church, and Harry Rogers, member of board of education of Little High School.

The committee voted to allow \$250 for use by the parade committee for prizes and for obtaining bands. The homecoming theme for the 1962 celebration July 2, 3, and 4 will be "Patriotism."

The next meeting of the general committee will be April 3 at the Legion Hall and at that time it is hoped that more information on the proposed recreation building may be available.

## Homecoming For Powers

BIG STONE GAP, Va. (U) — U2 pilot Francis Gary Powers was the center of a warm reception today in his first face-to-face meeting with his southwest Virginia neighbors since his release from a Russian prison.

"It's almost impossible to tell how I feel," the pilot, 32, commented on his reception.

"They all seemed happy to see me and, believe me, I'm very glad to be back."

He met with his old friends in a small Norton cafe prior to a more formal homecoming ceremony later in the day at an armory here.

Powers, his hair tinged with gray, told a newsman, "It sure is nice to hear a Virginia accent again."

## Edge to Upside in Stocks for Monday

NEW YORK (U) — The stock market maintained an irregular edge to the upside in moderately active trading early this afternoon.

The Associated Press average of 60 stocks at noon was up .20 at 259.80 with industrials and rails unchanged while utilities rose .40.

The list nudged ahead from the start in a continuation of last week's late advance.

Rubbers rose as price increases were announced for tires. Steels were narrowly higher. Savings-and-loans gave ground.

Autos were mostly unchanged, Ford showing a fractional gain. Nonferrous metals, spotty at the start, began to show a higher trend in the afternoon. Electronics moved ahead a little. Air-crafts were irregularly lower.

Gains of about a point each were shown by Goodrich and U.S. Rubber while Goodyear added a

fraction.  
Financial Federation dropped about 2.

National Cash Register and Korvette rose about 2 points each. Hershey Chocolate recovered more than 2 points of recent losses. Decca Records and Western Union advanced more than a point.

The Dow Jones industrial average at noon was up .08 at 714.52.

Prices were generally higher on the American Stock Exchange. Corporate bonds were mixed. U.S. government bonds showed little change.

### Push for Tariff

WASHINGTON (U) — Secretary of Commerce Luther H. Hodges today opens a new drive for the administration's trade program which would slash tariffs on many items.

Hodges is the first witness on call as the House Ways and Means Committee begins a month's hearings on a new five-year reciprocal trade program, President Kennedy's major legislative proposal in the foreign field.

Cabinet members and other officials will develop the administration's case during the week. Then it will be the turn of private interests—foreign trade groups who favor the bill and spokesmen for domestic industries which contend added foreign competition will end hopes for

## Henry A. Huff Funeral Service To be Wednesday

Henry A. Huff, 82, of 54 Centennial Court, was pronounced dead on arrival at Abraham Lincoln Memorial hospital at 10:15 a.m., Monday. For 18 years he was with the street and alley department of the city of Lincoln and prior to that was superintendent of Odd Fellows Children's Home farm here.

## DAILY CRYPTOQUOTE — Here's how to work it

A X Y D L B A A X B  
is L O N O F E L L O W  
One letter simply stands for another. In this sample A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

## Students Hear Atty. Dearborn

Luther Dearborn, city attorney, gave the keynote address Wednesday at an assembly at Lincoln Community high school honoring new members of the National Honor Society.

Dearborn declared it no small honor to be elected to the national society. "This election is a fine honor." The basis of membership in the society — service, leadership, character, scholarship — makes a well rounded individual, said Dearborn.

He urged all students to have a plan and not to drift aimlessly down the "river of life." See the world that is here and make your judgments, he challenged the students.

The first air conditioner was placed in a Brooklyn printing plant in 1902.

## Variety of Injuries On Treatment List

Area hospitals treated a variety of injuries Thursday. At Abraham Lincoln Memorial hospital, Rosalyn Johnson, rr 3 Lincoln, received care for a cut above the left eyebrow. Daniel Tibbs, 35, of New Holland, was treated for chest injuries, sustained when he was thrust against a steering wheel.

Judy Ann Lucas, Mt. Pulaski, injured her right ankle while playing basketball at school. Lauria Lenhardt, 1519 Pekin st., lacerated her left hand on a knife. Cal Martin Jr., 40, of 1614 N. Ottawa st., had a splinter removed from his left hand.

St. Clara's hospital treated Sheryl Ingram, rr 1 Middletown, for a cut over the left eye. Willie Morrow, 624 Decatur st., was bitten on the finger by a pet raccoon.

**In County Court**

Two men were given jail terms in action in county court here Thursday afternoon. Alfred Hintz, San Jose, pleaded guilty to deceptive practice charges and was sentenced to six months at the Vandalla penal institution while Roger Leith, Lincoln, was found in contempt on a violation of probation charge and sentenced to seven days in county jail. Acting Judge Ivan L. Yontz presided at Thursday's court.

In other action, two Mt. Pulaski youths, Cecil Birdwell, 17, and David Dinger, 18, charged with theft, are in county jail in lieu of bond after their appearance in county court Thursday. The case against the boys was continued until March 27.

**DAMAGED IN CRASH**

City police investigated an accident Thursday at the intersection of Broadway and Hamilton streets. Cars driven by Winfred E. Glunz, 31, of Pekin, and Fred G. Wackerle, 78, of 730 N. Hamilton collided at the intersection. The Glunz vehicle received damages to the right side and the Wackerle car had front fender and grill damages. Police ticketed Wackerle for failure to yield right of way.

A Tuesday hit and run accident was reported at city hall. A car owned by Nina McDaniel of Atlanta was hit while it was parked on Sherman street. Police are seeking the driver who failed to report the accident.

Want Woodlawn Field  
Lincoln, Ill.  
March 15, 1962

Lincoln Daily Courier  
Lincoln, Illinois  
Gentlemen:

It has been called to the attention of the Recreation Youth Board that Woodlawn Field is for sale. We would like to inform you that many teenagers of Lincoln think that Woodlawn should be sold to the Lincoln Park District.

Lincoln is in need of more recreational facilities and Woodlawn Field would be a good location because it offers a large space to have recreation facilities and room for a community recreation building.

Woodlawn Field, though not in the central part of town, would still be easy to get to and would allow teenagers and other kids to get the recreation that they so vitally need.

The teenagers of Lincoln would like to hail the efforts of men

## Letter Box

605 No. McLean St.,  
Lincoln, Illinois.  
March 17, 1961

Courier Letter Box:

The Park District board of directors properly recognizes that their overwhelming problem is that they can't build Rome in a day on an annual income of \$25,000. Even in terms of their present minimal plans, the prime problem is to increase the annual budget so that these plans can be put into effect.

It is unrealistic for them to expect a "transfer of funds" from another publicly sponsored agency, only because public support has made funds available to that agency. This public support could be withdrawn from the public schools, as witness the recent defeat of bond issues for school expansion in Jacksonville and other communities. The Park District must gain public support on the merits of the programs they will give to the community.

In this regard, I strongly urge the public to give more support. If the majority of citizens will not approve increased taxes for this purpose, a minority could revert to subscription of funds to provide specific services, such as a public swimming pool.

The public should demand that Woodlawn field be reserved for public use, rather than be diverted to private use. The determination of a fair price is necessary, perhaps even to prevent a taxpayer's lawsuit. Perhaps the per acre price could be equated with what the School District paid for the replacement facilities.

If the Park District cannot raise the funds for purchase, perhaps the School District would lease the property to the Park District at an annual rate of one dollar plus the amount of interest they are paying on an equivalent amount of their bonded debt.

## Boys Didn't Know It

ARLINGTON, Va. (AP) — Teen-age boys who scuffled with astronaut John H. Glenn Jr. at his church have told police they did not realize who he was.

One boy was quoted as saying if he realized it was Glenn he would have tried to shake the Marine lieutenant colonel's hand.

The boy tried to prevent Glenn from recording the license number of the youths' car at the Little Falls United Presbyterian church.

In an interview with the Washington Star, juvenile officer W.K. Davis also reported that a separate group of youths whom the astronaut encountered earlier in the evening of March 10 did recognize him and one deliberately taunted him.

This boy, referring to Glenn's space capsule which landed in

## Delicacies on Jackie's Menu

NEW DELHI — Here in the land of spices, America's First Lady is tasting such exotic new dishes as wild boar curry and edible silver. But she's drinking bottled water from Washington, D.C.

For Jacqueline Kennedy, who relishes refined French cooking and has brought haute cuisine into the White House, India in the past eight days has been something of a culinary revelation. Aides say she has "loved every morsel."

She has had tropical fruits like papaya and mangoes. The mango season is just starting in the Bombay area, and the Indian government flew sweet orange mangoes to New Delhi for her. Repeatedly on her trip she has had two dishes that are Indian favorites—korma curry and tandoori chicken.

### STATUE STOLEN

PHILADELPHIA — Police reported Monday a bronze-plated statue, known as a sailor and his sweetheart, by the Russian sculptress Chana Orloff, was stolen from a temporary pedestal in the courtyard of the Philadelphia Museum of Art. Police said the statue was 38 inches high and weighed more than 200 pounds.

## Motsinger Reviews Service in Spanish - American War

Remember the Maine?  
Harry L. Motsinger of 1407 N. Union st. does.

Motsinger is one of Lincoln's two Spanish American war veterans. The ranks of the army which once numbered 480,000 volunteers have been decreased vastly by the ravages of time, but for the survivors their service time remains a fresh memory.

The year was 1898 and the island country of Cuba was a Spanish possession, as it had been since 1492 when Columbus claimed it for Spain. Spain was in trouble on two fronts. In Cuba the natives were revolting again against her harsh rule while at home the United States was bringing pressure on the Spanish government to liberate the island.

Set Off by Maine

President McKinley was doing his best to avoid war but many newspapers were stirring up the people with sensational stories on Spanish cruelty. Asst. Secretary of the Navy Theodore Roosevelt and Sen. Henry Cabot Lodge were clamoring for war with Spain. In February of 1898 the battleship Maine was blown up in Cuba by a mysterious explosion with a loss of American lives. Public indignation swept the U.S. and in April the U.S. was at war with Spain.

Lincoln's Motsinger joined Company D Regular Volunteer Infantry in Paragould, Ark., in 1898 after President McKinley issued a call for volunteers. The old soldier recalls that there were 112 men in his company. They were then sent to Little Rock.

HARRY MOTSINGER  
(Courier photo—Mulvihill)

ground. "The men died like flies from typhoid fever, especially the boys from the north." And this was the pattern throughout the war. More men died from disease than bullets. Company D spent three months at this camp and then it was sent to Anniston, Ala. for more combat training.

Motsinger and his comrades never left the States for the war ended four months after it started. When terminated, the U.S. was in possession of Puerto Rico, Guam, the Philippines and Cuba

ground. It is here where Castro got his start. At that time, Motsinger says, tropical disease was rampant and the U.S. did much to wipe the diseases out. He describes Cuba as a beautiful country and well he might. The Pearl of the Antilles was described by Columbus as, "the loveliest land that human eyes have ever beheld."

With the election of a liberal president, the troops were sent home. In 1908 he stated working for the Lincoln State School and later worked as supervising nurse

## Logan Bond Sales \$105,094 in Month

Logan County residents purchased a total of \$105,094, in series E and H United States savings bonds in February, according to James H. Vaughn, of Lincoln, general county chairman of the Savings Bonds Committee.

Sales in the state of Illinois totaled \$28,991,708, and were 16.9 per cent below last year's total for the month, according to Arnold J. Rauen, state director of the Treasury's Savings Bonds Division. Illinois sales represented 8.0 per cent of national sales which were \$362,000,000. In the first two months of this year Illinois sales accounted for 17.2 per cent of the state's annual quota which is \$382,000,000.

at Peoria and Anna state hospitals. In 1929 he returned to the Lincoln State School, remaining there until his retirement in 1947. Medaled for Service

In 1953 he received a medal and document commending him for his service in the Spanish American War. The recognition came from the Batista regime. He also has two medals from the U.S. for his volunteer service in the war.

Motsinger has no use for either Batista or Castro and he looks for the day when Cuba will once again be a good friend of the United States.

Claude Applegate, Lincoln's other Spanish American War veteran, will be the subject of a future article.

## Keeping Eye on D. Plaines River

**LIBERTYVILLE, Ill.** —  
Nearly 200 families kept an eye  
on the slowly rising Des Plaines  
River today, prepared to evacu-  
ate their homes in the lowland  
subdivision if it becomes neces-  
sary.

Police said 30 families had al-  
ready left their homes near the  
river's east bank as water seeped  
into houses to depths of several  
inches.

The river topped its banks in  
many sections from Chicago to  
the state line. Most flooded land  
was uninhabited property of the  
Cook County Forest Preserve Dis-  
trict.

James C. Mattson, forest pre-  
serve district superintendent, said  
the river rose five to six inches  
Thursday.

## Stocks Stay Bogged Down

**NEW YORK** — The stock  
market continued bogged down in  
irregularity early this afternoon  
with the trading at the slowest  
pace this week.

The Associated Press average  
of 60 stocks at noon was un-  
changed with industrials off .40,  
rails up .20 and utilities up .20.  
Movements of most key stocks  
were fractional. A few went a  
point or so either way. A consid-  
erable number of stocks was un-  
changed.

Oils were unchanged to a bit  
lower. Steels and motors tended  
to ease. Aerospace issues and  
electronics were mostly steady.  
Most groups were mixed.

## To Give It Color

**WASHINGTON** — Some-  
thing new is being planted, but  
the White House rose garden  
won't be known by any other  
name.

Pierre Salinger, press secre-  
tary, gave newsmen the word at  
a botanical briefing Thursday,  
and denied a published report  
the famous garden would be  
eliminated.

"It's going to remain the rose  
garden," he said. "There will be  
roses in it."

There will also be some other  
flowers, Salinger said. "It's go-  
ing to be redone to include peren-  
nials—and don't ask me which  
perennials because they haven't  
been selected yet."

Why?  
"To give it color," Salinger  
said.

## At Last—Nice Weather Ahead

(By ASSOCIATED PRESS)

Illinois enjoyed fair, pleasant spring weather today.

And, the Weather Bureau said, several days of sunshine and mild weather appeared to be in the offing, with temperatures slightly warmer than normal for the season in northern Illinois and close to the norm in the southern section.

The mercury rose into the 50s in most communities today. It was expected to be quite cool tonight — in the 30s.

The five-day weather forecast indicated rain, possibly in light scattered showers, about Thursday or Friday.
